Don't fail to procure Mrs. Winslow's Sooththe people into the belief that they are the special guardians of their rights and interests. These imposters assume to be honest and immandiate, men of spotless integrity, types of the "heroic era," and to have souls armed in proof against the seductions of the almighty dollar. Ours has been the pleasing task of stripping the relief of hyporrisy from several of these worthies and holding the mirror up before their true features, that they may be seen and known of men. The Torirait Gallery" of the Gazette is

spicuous part played on that interesting occa-sion by this great embodiment of public and private virtue. Indeed such was the exceeding honesty of Col. Gibson that he did not hesitate then to avow his belief, founded, perhaps, on experimental knowledge, that the individual who would accept a Free-ticket on Rail Roads, was a "dishonest man." The Colonel was down on Rail Roads, generally; they were the huge Behemoths that were about to devour our Precholds, and such was his indignation that he would kindly ignore all politicial issues to coalese with any and all other parties on the anti-tax question alone. President Buchanan's foreign and domestic policy, the Tariff, etc., were minor affairs compared to this issue in Allegheny county. His countenance glowed with more than Roman virtue as he depicted in vivid celors the base means by which legislative sauction had been obtained, to municipal subscriptions and our county mortgaged to insolvent corporations. He charged the Legislature with bribery and corrupt practices, and the venerable Judge Wilkins was accused of a betrayal of his

high trust by this guileless and vestal politician. Indeed, we had almost come to the conclusion ourselves that if there was a rightcous man in this neighborhood, one wholly free from guile or taint of suspicion, that man must be Col. Jas. A. Gibson. But alas! for the reputation of our city, and worse than all, for the fond hopes we had cherished of Pittsburgh affording one bright exemplar of stern, unbending integrity!-we fear we have been cruelly deceived, as oft before by the specious guise of virtue. The damning evidence is before us that the pure, undnunted Col. Gibson-he, who we were wont to suppose, believed that any man accepting a "free pass" was a dishonest man-has actually been engaged In boring through the Legislature an Act authorising a subscription by the Commissioners of unrequited; as the following pithy and laconic

No. — PITTSBUEGH, Feb'y 17, 1853.

Beceived, on the above date, from the Pittsburgh and Steubenville Railroad Co., a warrant on the Treasurer, No. —, dated Feb'y 17, 1853, payable to the order of James A. Gibson, Eeq., FOR HARRISBURG EXPENSES, Seventy-Five Dollars 00-100. Signed, James A. Gibson.

The money was received by Colonel Gibson on February 17, 1853, and on the 24th candidate. This is an excellent selection. The day of the same month the Act authorizing the Commissioners of Allegheny county to subscribe 10,000 shares to the stock of the Steubenville

This last warrant bears the endorsement of our ex-Postmaster in addition to the autograph of Msj. Lynch. The people would do well to ponder these strange financial transactions of Demo-cratic politicions who now pretend to be the champions of the anti-tax cause. Truly there is something rotten here as well as aforetime in Denmark !

this county, a few days since, whether or not he committed the slu of riding to Cincinnati to the convention that nominated Buchanan, in conferees of this district, after casting 109 bal-June, 1856, on a Fran Pass. Now, although lots without effecting a choice, adjourned on and he has had ample time to make answer, not one word have we heard from him. In converastion with his friends, however, when our question has been repeated to him, he has acknowledged the soft impeachment, but insists in palion of the crime, that he rode as a postmaster, not as a citizen of Allegheny county. But, Mr. Farley, there is no provise in the resolution under which you are nominated, in favor of postmasters! Taking free passes is declared bribery; "pure and simple." Especially is the thunder of denunciation leveled at men holding offices; men standing in positions of influence,

graced with faithful pen and ink profiles of such of these new light aposites of anti-tax and municipal reform as Bruce, Farley, Alexander, Black, Donnelly and others. To-day we add to our collection the rubicund phir of Col. JAMES

A. GIBSON, a ligh Priest of the new order, who officiated at the altar and performed the sacred offices in the recent Democratic Sanhedrim.

Our readers are already familiar with the conspicuous part played on that interesting occasion by this great embodiment of public and election which takes a lection which takes

Our friend adds: "John Graham, one of our railroad swindlers, expects to be their candidate for Congress." The expectation has been realized; Jons Granam, one of the most active men in involving Butler county with the Northwestern railroad, has been nominated for Congress; and, in order to make the parallel with this county complete, he has been nominated on an auti-railroad platform. There, as here, the locofocos pass anti-railroad resolutions, and then nominate ultra failroad men. Before adjourning, the conferees from Perry county agreed to rescind the resolution formerly agreed upon by the conferees from Perry and York counties, throwing the claims of Cumberland county entirely aside. This is considered a great triumph by the friends of Dr. Abl, and it seems that the exertions of the President may still secure his nomination.
