With the Screw Steamers MINERAL ROCK, and GEN. TAYLOR, making THREE BOATS leaving Cleveland every week through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the coming season, with a view to the safety, comfort and accommodation, and appointments unsurpassed by any steamers. The "IRON CITY" comes out completely renovated; her Cabin being extended over her full length, giving her first-class Passenger accommodations; while her Freighting facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are admirable.

For a Summer Trip, the Upper Lakes are becoming each succeeding season more popular; none affording so much health-seeking either business, health or pleasure, so many attractions. Leaving Cleveland, the traveller passes over Lake Erie, through the beautiful rivers Detroit, St. Clair and St. Mary's, over Lake St. Clair, Huron and Superior; passing the Island of Mackinac, and the Straits of the same name, visiting Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, and Superior City, with many other localities of interest; giving the tourist and invalid unsurpassing sufficient opportunities for visiting the Copper and Iron Districts—with the delightful cool and bracing climate, and attractive scenery; and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured by addressing

GAS FROM ROSIN OIL,

OR OTHER

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Many Gas Companies have used it with profit, in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields a clear, and brilliant Illuminating Gas.

The greater original cost of the apparatus for this manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive matters generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

THE GREATEST

MEDICAL DISCOVERY

OF THE AGE

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humors.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles will cure the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the most obstinate case of ringworm.

Three to four bottles are warranted to cure the worst case of tetter.

Three to four bottles are warranted to cure salt rheum.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain used everything without benefit, as the cure of the most wonderful character by the use of a few bottles of this remedy.

Directions for using will be found in the pamphlets, among which will be found

Indispositions to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing Generally, Weak Nerves, Horror of Disease, Weak Nerves, Trembling, Dread-ful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots before the Eyes, with Temporary Confusion and Loss of Sight; Want of attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable than a Clear Head, Calm Intellect, and nothing they more fear than the Reverse. Fearful Confusion of Ideas, Depression of Manner, no Decisiveness, no Specific Object, but a Hurried Transition from one question to another.

These symptoms, if allowed to go on—which this medicine invariably removes—are often followed by LOSS OF POWER, FATUITY, AND EPILEPTIC FITS—in one of which the patient may expire. Who can say that the melancholy case not frequently followed by these direful diseases—INSANITY AND CONSUMPTION. The records of our INSANE ASYLUMS, and the melancholy deaths of CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears—a large portion of their inmates is actually awaken and quite destitute—

"With soul insensate and reason fled,
A mere mass of matter, left for dead."

Debility is most terrible and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

Infallible Remedy.

If one bottle will not do it, two will, and if two will not do it, three will cure you. Try one bottle. Two bottles are warranted to cure the worst case of Scrofula. Three to five bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure ringing of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Three bottles are warranted to cure the worst cases of tetter.

Three to four bottles are warranted to cure salt rheum.

Two to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain used everything without benefit, as the cure of the most wonderful character by the use of a few bottles of this remedy.

If skin and scalp and inflammation, is perfectly pleasant to its taste and odor, but beautiful in its action.
