BALLY, REPUBLICANS.—There will be a mass meeting of the REPUBLICANS in Allegheny City, THIS night, at 7 o'clock, at the "broken pole," corner of Beaver Street and North Common. Mr. McKnight will be present and address the meeting; also other speakers. Let there be a grand rally.

MEETING OF COMMON COUNCIL.—An extra meeting of Councils was called last evening. In Common Council present, Messrs. Bailey, Barnhill, Campbell, Darlington, Dickson, Dignam, Ernest, Floyd, Hunter, Hutchison, McGeary, Norris, Reed, Ross, Robb, Thompson, Ward and McKelvy, Chairman.

The President read a report from the Water Committee, stating that they had examined the petitions referred to them and recommend the laying of water pipes on Watson, Magee, Morton and Third streets, for which purpose they asked the passage of the following resolution:

Resolved, That the sum of $1000 be added to appropriation No. 6, and that the same be charged to contingent fund.

Report adopted, and on the second reading of the resolution a motion to suspend the rules and proceed to a third reading was made and lost by a rising vote of 11 to 7.

Mr. Darlington presented the following:

Resolved, That all persons petitioning for grading and paving streets, lanes and alleys, and also for constructing sewers, are required before these petitions are presented to Councils to publish said petitions with signatures, in a conspicuous place in two of the daily English papers.

Read three times and passed.

Mr. Norris, the following:

Resolved, That one hundred dollars be taken from Appropriation No. 7, for paving street crossings, and added to Appropriation No. 7 repairing of streets, for the purpose of repairing Centre Avenue, Seventh Ward.

Read three times and passed.

Mr. Sergeant presented the following:

Resolved, That the Street Commissioners be instructed to place the names of streets on corners not now supplied, and that the Mayor be instructed to draw his warrant in favor of the same to an amount not exceeding $30, and charge the same to appropriation No. 7. Read three times and passed.

Mr. Darlington moved to reconsider the vote whereby the resolution in reference to publishing petitions for grading was passed, which motion was adopted.

He then submitted an ordinance to the same effect, which having passed Council adjourned.

In Select Council there was no quorum present.

EDITORS GAZETTE:—As the Kansas gold mines are at present exciting considerable interest, anything in regard to them will be read with avidity by those wishing to keep posted in regard to matters of that kind; and I have thought that a short history of the first gold discoveries in that region would be deemed not the least interesting of the many reports that are now being so extensively circulated through the agency of the public press.

In the Spring of 1855, a gentleman who had been connected with either a surveying or trapping expedition, arrived at Ft. Smith, Ark., with specimens of gold from the head waters of the Arkansas river. His accounts were of such a glowing nature as to result in no easy matter to form a company, and some thirty or forty persons, with the returned mountaineer at the head, immediately left for the new gold regions. By some means or other, he missed his way, and could not discover his old route. This so exasperated his companions that, notwithstanding he begged but for two days' time to find his old trail, they refused this boon, and hung him, after which they returned. In the Fall of the same year some Indians came in with specimens, but they refused to guide the whites to the spot from which they were obtained. In 1856-7, other parties of Indians came in with small quantities of the precious dust, but like the others refused all offers to guide parties to the spot. The recent reports only confirm what has been known by the Indians and trappers for several years, that gold does exist on the eastern confines of the Rocky Mountains. Parties are forming in the Kansas City, Leavenworth, and other points, headed by men who have been there, can not be doubted. The proprietors of the Ft. Riley stage line are making arrangements to extend their line of coaches to Pike's Peak. Those who contemplate leaving this Fall would do well to organize as soon as possible, so as to make arrangements for winter. Those to all parts of Kansas territory can be obtained at Fred. Kneeland's office, opposite the Pennsylvania Passenger Depot, or under the Monongahela House.

YE DETERMINED EDITOR OF THE TRUE PRESS KNOCKETH A MAN DOWN.—Quite a buss was caused yesterday in the vicinity of the *Union* and *Press* office by an event of which the following items from the records of the Court will suffice to give the history:

John M. Perkins, } In the District Court of
vs. } Allegheny County, No. 446,
John B. Kennedy, } Nov. 7, 1858.
Allegheny County, ss.

John M. Perkins the plaintiff above named, personally appeared before the subscriber, and being duly sworn, saith, that he has heretofore furnished John B. Kennedy Esqr. the *True Press*, a newspaper published by the said Kennedy, and that said Kennedy was to pay for the same in cash; that affiant on the 20th inst., was in an office, near to the office of the said Kennedy, and affiant seeing the said Kennedy pass, asked him for payment for said paper, whereupon the said Kennedy, in a rude and violent manner, and with great force did strike, wound, and bruise the body of this affiant by striking affiant in the face with his fist, and did grossly abuse and maltreat this affiant, all of which is true as affiant verily believes, and the said assault upon affiant was committed in the city of Pittsburgh, in said county, and further saith not.

JOHN M. PERKINS.

Sworn and subscribed before me, Sept. 20th, 1858.

JOHN BIRMINGHAM, Prothy.

Damages at $1,000.

We learn that the blow of Je said Kennedy broke off one of the teeth of Mr. Perkins. Mr. Perkins is about one-third less in size than Kennedy. A capias was issued for the arrest of "Mr. Kennedy friend of the people." Mr. Perkins lays his damages in the assault at $1,000. We are informed that K. was arrested in the afternoon.

POISONED.—William a son of William Watson the well known druggist of New Castle was poisoned on Monday evening, with arsenic, and had a narrow escape from death. Mrs. Watson had mixed some of the dangerous drug with corn meal as a rat exterminator, and while her back was turned from the dish, for a moment, the little fellow seized a little of it and swallowed it. He is now in a fair way to recover, owing to the prompt attendance of a physician.—*Neal City Item.*

FINE ARTS.—The unusually rich collection of engravings to be sold by auction at the corner of Wood street and Diamond alley, on to-morrow morning, at 10 o'clock, is now arranged for the examination of visitors. Every variety of subjects, done by the best artists, are embraced in this large display of pictures, many of which are of the finest and most expensive character, all framed in elegant and appropriate styles. A pleasant hour can be spent by any one of taste in looking through this collection, which will be open all day to the public.

AN OUTRAGE.—Prof. M. Breithof, who is well known as a mathematical author of merit, and formerly Professor of Mathematics in the Pyrotechnic College of Paris, who is also to all appearance a gentleman of fine address and sterling worth, is now in our county jail for committing the awful crime of amusing himself in his own room, by playing the flute on Sunday, the 5th instant.—*Cool City Item.*

THE BOAT RACE.—The Holmes and Cassidy could not agree on Saturday in reference to the race. A collision occurred, the Cassidy running into the Holmes and breaking her rudder, after which the crew of the Holmes refused to pull. The Cassidy therefore came in first and claimed the victory. The decision of the question was referred to Mr. Paulson, who decided that it was a drawn race.

DIED FROM HIS INJURIES.—Francis Cregan, the lad who had his leg badly crushed by the breaking of a windlass rope to which a log was attached, at McClintock's keg manufactory, in the Ninth Ward, a few days ago, died on Friday night from the effects of his injuries. His remains were interred on Sunday afternoon.

OFFICERS ELECTED.—The Coal Boat Pilots' Association met on Saturday and elected officers for the ensuing year, viz: President, John Moughlin; Vice President, Geo. Smith; Secretary, James McQuikres; Treasurer, Wm. Smith. No action was taken relative to wages, which will remain as heretofore.

ROBBERIES.—Some scamps, unknown to the police, entered the house of Mr. Culberton and Mr. Wilkins, in Lawrenceville, on Sunday, during the absence of the families at church, and carried off two breast pins and fifteen dollars from the former, and two gold watches from the latter.

THE opera troupe is to remain here yet another week. They have drawn large houses for the whole time they have staid, and will doubtless continue to do so during the remaining portion of their visit.

MR. FOSTER spares no pains to please those who give him a call at the old theatre. Besides the Hutchinson brothers appear in a new act each night.

KARL FORMES.—At last we are to have the pleasure of seeing this great artist and patriot combined. After so many disappointments we are to enjoy the rare treat of hearing the manly voice of the greatest Basso Profundo, such as Formes has the reputation of having, not only in this country but in the whole world. Aside from this we are not to have a mere piano accompaniment as has been the case in concerts here, but we shall have the complete orchestras of the New York Academy, under the conductorship of the renowned Anschutz, besides the overtures and symphonies of the great masters, such as Beethoven, Mozart and Meyerbeer and these works, cannot be attempted by an ordinary orchestra, each member, as in this instance, must be a soloist.

We must not neglect to mention that the original quartette for secular songs and oratorios formed by Herr Formes in this country, consisting of the great Bassist himself, Miss Hattie Andem, the charming American Soprano, Madame Strakosch, the Contralto, and Mr. Perring, the Tenor, who lately created such an immense success at the Academy of Music in New York.

The sale of tickets for Mr. Formes' Musical Festivals commences this morning at J. H. Mellor's music store, No. 81 Wood street, when we anticipate a tremendous rush for the choice of seats, as there has never been a concert here to tempt us as this. Another thing that we congratulate the good Impresario Manager Ullman in, is the moderate price of admission, it being as low as all the first class concerts here, but in this instance Manager Ullman has the tremendous expense of the large orchestra, and we anticipate a crowded house, and are positive it will remunerate the management.

[For the Pittsburgh Gazette.]

Messrs. Editors:—The Republicans of Findley and adjoining townships, held a meeting in the village of Clinton, this evening, which was addressed in an able and eloquent manner on the issues of the day. Mr. Carnaghan showed conclusively that the Republican party are a unit on the tax question, that as a party they have taken the correct ground, that their candidates stand squarely up to the mark, that we have no men on our ticket but are reliable. Mr. Morehead followed, in an eloquent and effective argument in defence of the principles of the Republican party, he showed that they were the principles of a day, but are destined to be acknowledged and adopted by the American people. He was followed by Mr. Collier in a speech full of argument, wit and anecdote, the right spirit was manifested throughout, at a late hour the assembly adjourned, well pleased with the evening's performance. The Republicans of the county may be assured that old Findley will do her duty at the coming election.

Sept. 16th, 1858. FINDLEY.

BANNER PRESENTATION.—The ladies of Birmingham made an elegant banner for the Birmingham Guards, and J. H. Hampton, Esq., presented it to the company in a neat and appropriate speech, which was responded to by Mr. Auchenbaugh. This took place yesterday in the square at Birmingham, and the company left soon after took up their line of march for the camping ground.

MR. GILDENSLEEVE, opposite the Theatre, has sent us the October number of the "Atlantic Monthly." It is a sterling number. We regret the necessity that calls us to say Farewell to the genial Autocrat of the Breakfast Table, who makes his bow of exit in the present number in an article which is worth more in itself than the price of the book.

THE ENCAMPMENT.—The necessary preliminary steps for the military encampment in East Birmingham were making yesterday. Some six or seven companies were on the ground, and considerable interest was manifested. They paraded through our streets during the forenoon.

ROWBOATMEN LOOK OUT.—We have seen an agreement between three persons connected with the boat race that comes off on next Saturday, this which one of the parties agrees for a stipulated sum, to run the race. Those interested had better be on their guard.

MR. A. H. BURNS deserves the thanks of every true Republican for the constant activity he manifests on all occasions, to secure good meetings of our friends in his vicinity. He is a whole-souled man, and will not be forgotten by his numerous friends in the county.

GODEY'S LADY'S BOOK.—We have received this drawing room companion for October, from Messrs. Hunt & Miner, Masonic Hall. It is a good number, containing several drawings of interest to the ladies.

SOME fellow, on Friday night last, paid a visit to St. James Church, in the Fifth Ward, and carried away one of the copper lightning rods which was attached to the building. The value of the article stolen is about $80. No arrests.

MR. MOORHEAD, editor of the Indiana *Independent*, is in town, soliciting advertisements for his paper. The *Independent* is a good advertising medium.

THE gentlemen who were arrested on Saturday for disorderly conduct, whose names it is not necessary to mention, were before the Mayor yesterday and speedily discharged.

BRADLEY'S IMPROVED DOUBLE TOP STOVES, in every variety, are kept on hand and for sale at manufacturer's prices, by Geo. W. Hubley, Federal St., Allegheny city. These stoves are gas-burning, and are warranted to produce a stronger fire, with less fuel, than any other stove now in use. They are unequalled for baking—the flame of the gas passing entirely around the oven, equal to a wood stove; and they will wear twice as long as the ordinary stove, the plates being double and not liable to become red hot.

A REMEDY FOR HOT WEATHER.—The very best remedy for this hot weather is to drop in at Bown's, Federal St., Allegheny, and treat yourself to a saucer of their delicious Ice Cream, or a glass of sparkling ice cold Mineral Water, flavored with the choicest of Syrups, and drawn from a fountain in excellent order. Their stock of Cakes and Confections are of the best description, manufactured from good materials, and got up in the neatest style imaginable. Give them a call.

THE place to secure a saucer of delicious Ice Cream, to cool off in a well ventilated and luxurious saloon, fitted up in the neatest style, the place to enjoy an hour's chat with your wife or sweetheart, while sipping the cooling and healthy luxury, the place where the best of cakes and confectionary, family bread and Ice Cream are made and sold, the place is OLIVER'S, St. Clair st., near Liberty.

CASH buyers of fashionable clothing, either ready made or ordered, may find it to their interest to spend a little time in examining the stock of mens' and boys' wear, now on hand at Carnaghan's, Federal street, Allegheny city. His work will be found reliable and sold at close cash rates.

M'LEAN'S VERMIFUGE—FLEMING BROS. sole Proprietors.

No remedy ever invented has been so successful as the great worm medicine of Dr. M'Lane, prepared by Fleming Bros. of Pittsburgh. All who have used it have been equally astonished and delighted at its wonderful energy and efficacy. To publish all the testimonials in its favor would fill volumes; we must therefore content ourselves with a brief abstract of a few of them.

Robert C. Allen, of Amboy, gave a dose to a child 6 years old, and it brought away 55 worms. Six soon after gave another dose to the same child, which brought away fifty more, making 125 worms in about 12 hours.

Andrew Downing, of Cranberry township, Venango county, gave his child one tea-spoonful, and she passed 317 worms. Next morning, on repetition of the dose, she passed 112 more.

Jonathan Heaghman, of West Union Park county, Ia., writes that he is unable to supply the demand, as the people in the neighborhood say, since a trial of the others, that none is equal to Dr. M'Lane's Vermifuge.

Messrs. D. & J. W. Dolton, of Winchester, Ind., happened last spring to get some of this Vermifuge. After selling a few bottles, the demand became so great for it that their stock was soon exhausted. They state that it has produced the best effect wherever used, and is now the most popular among the people.

Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. of Pittsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can be had at all respectable drug stores throughout the country.

KARL FORMES'
GRAND
MAMMOTH CONCERTS
AND
ORATORIOS.

MR. ULLMAN, Director and Manager of the New York Academy of Music, respectfully informs the public that he has made arrangements with
KARL FORMES,
now under engagement to him, for a rapid tour through the principal cities of the Union, prior to his departure for Europe. Gratefully remembering the very liberal patronage received from the public, as Manager of Mr. Thalberg, Maho, Sontag, Henri Herz, Camillia Sivori, and other artists whom he has induced to visit America, he respectfully announces KARL FORMES' *first and only appearance in this city*, on
THURSDAY and FRIDAY, September 23d, and 24th,
AT THE
CITY HALL.

TO THE PUBLIC.

The reputation of Karl Formes as the greatest living Basso and Oratorio singer, the immense sensation produced by his extraordinary voice, both in this country and all over Europe, induces Mr. Ullman to believe that he will meet with a patronage commensurate with the heavy expenses of this undertaking.

Karl Formes being the Jenny Lind, equally famed as a singer of secular as well as of the highest style of Sacred Music, and the Oratorios of Handel and Haydn, the programme will consist of

Oratorios, English, German and Italian
Songs and Airs, with Orchestral
Accompaniment,

with a view of affording the public an opportunity to hear him at once in all the different styles of music in which he stands unapproached.

CARD.

The Manager begs leave to call the attention of the public to the great number of performers that must necessarily be engaged in concerts of this class. It has long been a case of complaint against all artists travelling in the West and in the inefficiency of the Piano to give full effect to the gems and works the great masters, the proper position of which requires the whole resources of a Grand Orchestra. And in order, in these concerts, to carry out in all their *Completeness* and *Grandeur*, the works of HANDEL, HAYDN, MOZART, and other celebrated composers, the Manager has engaged the principal *Soloists and Performers of the Grand Orchestra of the Academy of Music, New York*, under the direction of the far famed Conductor, CARL ANSCHUTZ, *thus introducing a system of Concerts never before attempted in the West.*

KARL FORMES

will on these occasions, be supported by the following distinguished Artistes, who have been received with such signal favor during his late brilliant musical season in New York, Philadelphia and Boston.

H. T. HELMBOLD, *Dear Sir*:—I have been troubled with an affliction of the Bladder and Kidneys for over twenty years. I have tried Physicians in vain, and as last concluded to give your Genuine Preparation a trial, as I had heard it highly spoken of. It afforded me immediate relief. I procured it, and by the use of three bottles, and I have obtained more relief from its effects and feel much better than I have for twenty years previous. I have the greatest faith in its virtues and recommend it to all who are afflicted. Hoping that many may be induced to give its use a trial, I remain yours truly,

M. MCCORMICK.

Telegraphic.

ST. LOUIS, Sept. 20.—A dispatch from Independence, dated the 19th, per U. S. express company to Boonville, says that Santa Fe dates to the 30th ult. to the 18th August, at which time no hostile movement had been made against the Navajoe Indians. At the earnest solicitation of Armijo, an influential chief, the commanding officers had given him ten days to raise his people and go in search of the murderer of Brook's servant.

Three companies of rifles under command of Captains Lindsey and Elliott and Lieut. Howland, one company of 3d infantry under Lieut. Hilt and a company of spies and guides under Blas Lucero have been ordered to be in readiness in the event of a war with the Indians. There was some political excitement in regard to the election of Representatives in the next Legislature in consequence of there being two sets of candidates, both claiming to be the Simon pure democracy. The United States District Court is in session. No business of importance was transacted when the mail left.

NEW YORK, Sept. 20.—Advices have been received from St. Domingo, bringing some additional particulars of the recent revolution. Gen. Santana marched to Santiago on the 1st of September, and immediately took possession of the fort. Valverde, together with the collector of Santiago, and many others, fled to Monte Cristo, where they were to embark for Turks Island. There was, consequently, no responsible government of St. Domingo. The merchants had closed their stores. The paper money in circulation had become worthless, and some knew how to buy or sell, or what the next practical move would be.

ST. LOUIS, Sept. 20.—A destructive fire occurred at Weston, Mo., on the night of the thirteenth, destroying the furniture warehouses of John Delty, Shaw and Newbouse; the grocery of F. Kaufman; the Court House, and one or two other buildings. Loss upwards of $35,000; insured for about $12,000. Dred Scott died in this city on Friday night last.

NEW YORK, Sept. 20.—The Bank statement for the past week exhibits a decline in loans of $364,000; decrease in circulation $217,000; increase in specie $748,590; increase in deposits $1,836,000, increase in undrawn deposits $221,000.

BANGOR, Me., Sept. 20.—The official count only will determine the result of the election in the 6th Congressional district, so close is the vote.
