REASONS for buying at home in place of from Tom Fedlers:
1st. We sold Cherry Trees last fall at from 31 to 40 cents that they charged 50 to 75 cents for. Apple (ski class) 12½ that they charged 25 for. Peach at 12½ that they charged 25 for, and other things in proportion.
2d. You can have them planted a few hours after they are taken up, while the peddlars' trees have weary hours to pass on canals and at railroad depots before they reach the planter.
3d. If mistakes occur a proprietor is still about to correct them, but a peddlar, where is he?

With the Screw Steamers MINERAL ROCK, and GEN. TAYLOR, making THREE BOATS leaving Cleveland EVERY WEEK through the season.

The "CITY OF CLEVELAND" and "ILLINOIS" have been fitted up expressly for the traveling public, being acknowledged in point of speed, accommodations, and splendid furniture, unsurpassed. The "IRON CITY" comes out completely renovated; her Cabin being extended her full length, affording her first class Passenger accommodations; while her Freighting facilities—with the "MINERAL ROCK" and "GEN. TAYLOR"—are admirable.

For a Pleasure Trip, the Upper Lakes are becoming each succeeding season more popular; none affording the tourist more attractions. Leaving Cleveland, the traveler passes Detroit, the beautiful river Detroit, St. Clair and St. Mary's Falls, Lake St. Clair, Huron and Superior; passing the Island of Mackinac, and the Pictured Rocks; visiting Marquette, Portage Lake, Copper Harbor, Eagle River, Ontonagon, La Point, Bayfield, and the Apostle Islands; with many other localities of interest giving the scientific and romantic many sufficient opportunities for visiting the Copper and Silver mines; the seeker of health the purest air and water, and attractive scenery; and the sportsman and lover of the romantic, the most inviting facilities for fishing and exploring.

The Steamers make the round trip in eight days. Rooms for any of the trips can be secured by addressing

Medical.

THE FOLLOWING REMEDIES are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicine hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and a power to uproot disease beyond any thing the most directed. Cheapest, and reliable route by which of the internal organs and stimulating them into healthy action, they renovate the fountains of life and vigor, is well again. They are adapted to disease, and disease only, for when taken by one in health they produce but little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with infinitely. If they are sick they will cure them, if they are well they will do them no harm.

Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten into elasticity, see his long lost appetite return, see his sallow features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. Behold them drenched inside and out with every potion which ingenuity could suggest. Give him these Pills, and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the last leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him and the screeches with pain he once has been soaked through every muscle of his body with disease, and survey give him these Pills to purify his blood; they may not cure him, for these diseases cases which no mortal power can reach; but mark, he walks with comparative ease, where before they have cursed him. Give them to the lean, sour, haggard dyspeptic, whose gnawing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it health and loveliness blasted and too early withering away. See him, see how the food he eats is changed into healthy nourishment, how the burning distillation or secretions, till they do their office ill. Her blood is vitiated, her health is gone. Give her these Pills to stimulate the vital principal into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood. Now look again—the roses blossom on her cheeks, and where late sorrow and joy bursts from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell as plainly as life can tell that the dreadful truth is lingering which must soon destroy it. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. See it nothing to do! And yet they are done around you every day.

Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sidesache, Heartburn, Foul Stomach, Nausea, pain in the Bowels, Flatulency, Loss of Appetite, Kings Evil, Rheumatism, Gout and kindred complaints all arise from the derangements which these Pills rapidly cure. Take them judiciously, and under the council of a good Physician if you can; if not, take them judiciously for such advice as we give you, and the distressing, dangerous diseases named above which afflict so many millions of the human race, are cast out like the devils of old—the heavenly in the brutes and in the sea. Price 25 cents per box—5 boxes for $1.

Prepared by J. C. AYER, Practical and Analytical Chemist, Lowell, Mass.

For sale by GEO. H. KEYSER, 140 Wood st., B. A. FAHNESTOCK & CO., corner Wood and First st., and B. L. FAHNESTOCK & CO., corner Wood and Fourth st., Agents for Pittsburgh.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
Compounded Entirely from GUMS,

IS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a *Cathartic*, *tonic*, *diuretic*, and more effectual than any other medicine known. It is not only a *Cathartic*, but a *tonic*, and acts upon the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, with one dose. Thousands of feelings experienced in the operations of our *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the human body; and when in the powers of life system is full of impurities, it almost entirely dependent principal regulators of the blood, and when it performs its functions well, health and loveliness blasted and too early withering away. In most cases of mental anguish, or hurting disease, has deranged the internal organs of digestion, a mental affection or aversion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these Pills to stimulate the vital principal into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood. Now look again—the roses blossom on her cheeks, and where late sorrow and joy bursts from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell as plainly as life can tell that the dreadful truth is lingering which must soon destroy it. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. See it nothing to do! And yet they are done around you every day.

Have you the less serious symptoms of these distempers, they are the easier cured. Jaundice, Costiveness, Headache, Sidesache, Heartburn, Foul Stomach, Nausea, pain in the Bowels, Flatulency, Loss of Appetite, King's Evil, Rheumatism, Gout and kindred complaints all arise from the derangements which these Pills rapidly cure. Take them judiciously, and under the council of a good Physician if you can; if not, take them judiciously for such advice as we give you, and the distressing, dangerous diseases named above which afflict so many millions of the human race, are cast out like the devils of old—the heavenly in the brutes and in the sea. Price 25 cents per box—5 boxes for $1.

THE GREATEST
MEDICAL DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will assist the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of scrofulous.

Two bottles are warranted to cure all humors at the eyes.

Two bottles are warranted to cure running of the ears and the worst scald head.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs or ands, buns or ha's about the suiting some cases and not others. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has a chemist. I gave it to children over a year old: to old people of sixty. I have seen pure, puny, wormy looking children grow fleshy, have soft and healthy, restored to a perfect state of health by one bottle.

To those whose are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works like every, but where there is any derangement of the functions of nature, it will cause very singular feelings, but need not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise given directions for Usa.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

DR. KENNEDY gives personal attendance in the cases of Scrofula to a common Pimple.
