Bucher, Esq., at Hogestown, Cumberland co., Pa.

A. O. HEISTER, Secretary.

THE PREMIUM LIST.—Our readers will find on our Fourth page this morning, the larger portion of the premium list of the late State Fair. We were obliged to go to press at one o'clock in the morning or miss the early mail, which takes our paper to subscribers west. This will explain why the list does not appear entire this morning. The rest of it we shall publish *to-morrow morning.* Upon WEDNESDAY for Friday will contain the list entire properly arranged and digested, and may be purchased at our counter with or without wrappers at 5 cents each.

GEN. WM. ROBINSON, JR., *vs.* THE CONNELLSVILLE RAILROAD.—We, on Tuesday morning, noticed the fact that a case with the above title was before the District Court. It was, as we then remarked, a suit to recover $5000 from the defendant, that being the amount of his subscription to the said C. R. R. (100 shares at $50 per share.) The defence set up by Gen. Robinson, and urged by his counsel before the Court, was that the subscription was made with no expectation of paying but to secure his name as an inducement to others to subscribe. In proof of this, the following affidavit was submitted to the Court:

This is to certify that General Wm. Robinson, Jr., subscribed one hundred shares in the Pittsburgh and Connellsville Railroad at my instance and request, with the express understanding that he was not to either pay for it or hold it. I was anxious to have his name and influence for the road, with the purest motives, and gave him a solemn pledge at the time and afterwards, that the said stock would be cancelled without him having any trouble with it in any way, shape or manner, and that the Railroad Company would not call upon him for said subscription for any part thereof.

Witness my hand, this 6th day of June, 1857.

WM. LARIMER, JR.,
Late President of Pg. and C. R. R. Co.

COUNTY OR DOUGLAS, } ss.
Territory of Nebraska, }

On this, 6th day of June, A. D., 1857, personally appeared the above named Wm. Larimer, jr., and being duly sworn according to law by me, states that the facts set forth in the above instrument of writing is correct and true. WM. E. MOOR,

Notary Public for Douglas county, N. T.

The case went to the jury on Tuesday morning after due presentation of the facts an outline of which we have presented above. The charge of the Court was very plain and after a short consultation the jury returned with a verdict against Gen. Wm. Robinson, jr. The $5,000 was not held to be a bona fide subscription, as a fancy loan, not to be paid but as a *bona fide* subscription and verdict was that it should be paid together with the interest on it, amounting in all to some $6,000.

Thomas Williams, Esq., appeared as chief Counsel for Gen. Robinson. It was Mr. Williams who submitted and urged this affidavit which we copy above. By this he proposed to show that the whole stock subscribed was subscribed, there was an explicit understanding between Gen. Robinson and Gen. Larimer, that the defendant should never be called upon to pay for the stock, that he should not hold it, and that the subscription should be canceled—all of which, it was maintained, had been performed in good faith by Gen. Larimer, when he transferred the stock to the Company. It however, was no go, as the verdict which we have above recorded will make evident. The eloquence of Mr. Williams was not equal to the task he had assumed.

JULIA DEAN.—MRS. Julia Dean Hayne will commence a short engagement at Foster's Theatre, this evening, as "Julia" in the "Hunchback." We believe this is the first star engagement entered into by Mrs. Hayne in this city, and she will doubtless be welcomed by a large and fashionable attendance.

Young, beautiful and gifted, she justly takes rank with the very first artists of the day. We understand this will be the last time we shall have the pleasure of witnessing her exquisite performances in our city, as after fulfilling a certain number of engagements in the South and West she proceeds to Europe for the purpose of performing in London, where we are sure she will make her mark. We know of none, now on the stage, possessing, as she does, all the requisites necessary to create a furore and resuscitate a legimate taste for the higher order of dramatic productions, which at present we regret to say is declining, on both sides of the Atlantic.—We trust Mrs. Hayne's engagement here will be as brilliant as her merits deserve.

QUARTER SESSIONS.—The Court met at nine o'clock on Tuesday morning, Judges McClure, Adams and Parke on the bench.

The forenoon was occupied with surety cases not worth reporting.

In the afternoon, Wm. McDonough, indicted for assault and battery, was brought to the bar, plead guilty and was fined $5 and costs.

Cope suits. Thos. Smith vs. Wm. Lee, and Jas. Robinson, Alex. McMurray, Samuel Lee, *et al* vs. Thomas Smith. The difficulty out of which these suits sprung arose out of an affray about paying toll at the south end of the Allegheny bridge, on the night of the celebration of laying the Atlantic telegraph. They are out and instructed to bring in sealed verdict if they agreed before the next sitting of the Court.

U. P. SYNOD.—The Synod of the United Presbyterian Church, commenced its first session yesterday in the Church of Rev. Mr. Reed, Seventh street. There were about 250 Delegates in attendance. The session will be a highly interesting one and the ministers and other Delegates present here, represent one of the largest and most influential body of Christians in the United States. Last evening they held their session in Allegheny at, we believe, the church of the venerable Dr. Presley. The regular business of the Synod will commence this morning, as we are informed, in the 7th street Church. We shall endeavor to keep faithful note of the proceedings from day to day.

HELD TO BAIL.—Joseph Clark, deputy constable, was held to bail by Alderman Rogers, on Monday, on a charge of assault and battery, preferred by Michael Rinehart. It is alleged by Rinehart that on Tuesday noon of last week he went to the watch-house to see a friend, and while there was seized by Clark, thrust into a cell and locked up. The following day he was examined to full by the Mayor for a further hearing upon a charge of larceny, on oath of Robert Hague. On Saturday, the time fixed for his hearing, he was taken from jail and discharged. Shortly after his release he made information before Ald. Rodgers against Clark.

EXCITING SCENE IN A CHURCH.—Sunday evening, during divine service in St. Pauls Cathedral one of the candles used in the ceremony fell on the altar, instantaneously with some inflammable substance, it was soon in a sheet of flame. The church was crowded, and for a moment the most painful excitement prevailed. All, though however, one of the clergyman officiating, Rev. Mr. Keeney, at great personal risk, extinguished the fire before much damage was done, to the infinite relief of the vast congregation in attendance. Mr. F. had his hands badly burned, but nothing serious happened from the untoward accident.—*Chronicle*

STEAMBOATS.—A meeting of the Kentucky River Navigation Company is shortly to be held, to take sufficient steps to organize the company, and so get the stock subscribed. The company will order the improvement of the Kentucky, and by building additional locks and dams, the capital stock of the company will be $1,500,000, divided into shares of $100 each; but $200 initially will organize and proceed to business. Some $300,000 shall have been subscribed before any act to the detriment of the stockholders shall be done. The work will be completed in two years.

ARRIVAL FROM SUPERIOR.—The steamer *Iron City* arrived Saturday morning from Lake Superior. Left Ontonagon on last Monday; left Eagle River at 10 o'clock Tuesday; met the Illinois little above Copper Harbor on Tuesday afternoon; left Marquette, Monday morning at five o'clock; left the Sault on Thursday at 10 o'clock A. M., met Northern Light off Presque Isle at six o'clock the same day. She brought down from the Cliff mine 29 masses and 65 bbls., copper, weighing 155,517 lbs.; from Adventure mine 4 bbls., 2,211; from Mass mine 2 bbls., and 2 masses, 2,000 lbs.; from Iron Works 60 bars iron, weighing 6,689 lbs.

ON this evening the justly celebrated Julia Dean Hayne will appear at the National Theatre.

At Porter's, we had, last night, Mr. J. B. Roberts in Bulwer's Richelieu. We consider him among the best tragedians now on the American stage. He has a fine voice, a commanding presence, and is as fine a reader as we have ever heard. We direct attention at this time to the magnificent character in which he is to appear to-night, and in which he is said to be without an equal.

SHOCKING SUICIDE.—A partially insane lady who was visiting a brother near Orville, in the vicinity of Massillon, on Tuesday morning stood near the railroad track watching the approaching train. When near she sprang upon the track and ran upon her hands and knees to meet the engine. Efforts to stop the train were unavailing, and five cars in passing over the body ground it to fragments.

ANOTHER CASE.—On Saturday night a young man, whose name our informant desired to suppress, tried to jump out of the second story window of a tavern on Main street, while suffering from an attack of mania a potu. Cases of delirium tremens, in which imaginary menageries appear, and awful suffering is experienced by the subject, are multiplying.—*Wheeling Intel.*

We have received parts 23 and 24 of D'Aubigne's History of the Reformation, just from the press of Messrs. W. & W. H. Freeman, Lancaster. We are informed by the publishers that the work will probably extend to twenty-eight parts, and will be completed as soon as possible.

APPOINTMENTS.—The following persons were appointed in the, Court of Quarter Sessions, to serve as Crier and Tipstaves during the October term: Crier—Charles Roberts. Tipstaves —Robert Neilly, Wm Bougher, F. R. Larimer, J. C. Smith, Robert Hague, Jonathan Patterson, Thomas Maxwell, John W. Patterson, Patrick Clark.

RESUMED, WORK.—Shoenberger's extensive Iron works resumed work Monday and are now in full blast. Coleman, Hallmas & Co.'s works resume operations to-day. This shows that the times are improving, and will be good news to the many operatives employed in the business.

THE ENGLISH GYMNASTS, the Hutchinson Bros. are giving some practical lessons to our Gymnasts in the gymnasium. We understand the Association are to give them a complimentary benefit in one of the Theatres, some evening this week, upon which occasion some of the members will assist the Hutchinsons.

CLOSING IN.—The new building for the public schools of Manchester is rapidly approaching completion. The roof is nearly finished, and if the same energy continues to be displayed, the building, or at least a portion of it, will be ready for occupancy before the close of the season.

MR. J. B. ROBERTS will appear to-night in the great character of Iago in the Merchant of Venice. He is said to be among the best Iago's now on the stage. He will have a full house.

THE case of Joseph M'Laughlin vs. Robert Campbell, action to recover damages for the seduction of his wife, was before the District Court yesterday. The details will not bear airing.

ST. PAUL'S CATHEDRAL.—Workmen are engaged in removing the tiles on St. Paul's Cathedral, with a view of supplying their place with slates.

ON Saturday night there will be a republican meeting at East Birmingham which will be addressed by J. M. Kirkpatrick and Siebeneck, Esqrs.

THE Steubenville *Herald* says that on Sunday last 4,000 Bibles were taken into full membership in Kramer Chapel.

A REMEDY FOR HOT WEATHER.—The very best remedy for this hot weather is to sleep in Brown's, Federal St., Allegheny, and treat yourself to a series of their delicious ice cream, or a glass of sparkling soda. Brown's soda fountain is the choicest of Syrups, and drawn from a fountain in the counter. Their stock of Cakes and Confections are of the best description, manufactured from good materials, and put up in the neatest style imaginable. Give them a call.

DOMESTIC SOAP.—We would direct the attention of our readers to the advertisement of the "Pennsylvania Salt Manufacturing Co.," who manufacture amongst other things a highly recommended soap, whereby families can prepare their own soap, at a trifling cost of time, labor and money. Most of our readers have used on their tables the Company's Extra Superfine Snow-White Soap for toilet, dairy, and general purposes. We have used both the Lye and Salt, and can safely recommend a trial. Beware of imitations, as spurious articles have been thrust upon the public.

THE place to secure a saucer of delicious Ice Cream, to cool off in a well ventilated and luxurious saloon, fitted up in the neatest style, the place to enjoy an hour's chat with your wife or sweetheart, while sipping the cooling and healthy luxury, the place where the best of cakes and confectionary, family bread and Ice Cream are made and sold, the place is OLIVER'S, St. Clair st., near Liberty.

BOYS' clothing neatly cut and made with care. Boys' shirts, plain and colored; Boys' gloves, hosiery, suspenders, ties, muffers and scarfs may be had at reasonable rates from Carnahan, Parkes & Co.'s cheap cash clothing house.

TAPE WORM CURED BY DR. M'LANE'S CELEBRATED VERMIFUGE.—NEW YORK, August 2, 1853.—A certain lady in this city testifies that, after using Dr. M'Lane's Celebrated Vermifuge, prepared by Fleming Brothers of Pittsburg, it passed a tape worm ten inches long; and has no hesitation in recommending it to any person afflicted with worms as, in her opinion, it far excels every other remedy now in use. The name of the lady, and further particulars can be learned by calling on Mrs. Hardie, No. 375 Pearl street, N. Y. Theall, Druggist, corner of Rutger and Monroe streets, Agent for Brooklyn. All other Vermifuges in competition are worthless. Dr. M'Lane's genuine Vermifuge and his celebrated Liver Pills, can now be had at all respectable *drug stores. Beware counterfeits without the signature of* FLEMING BROS. Pittsburgh.

Amusements.

A CARD.—MRS. JULIA DEAN HAYNE.

The public is respectfully informed that this distinguished American has engaged at Foster's New National Theatre ter a limited number of nights, and will appear with strong support—being her first and only star engagement here, as on the terms of which she fulfils engagements West and South, and then proceeds to Europe, and returns for a lengthened period.

In addition to the above popular play, Mrs J. D. Hoyne will produce the new pieces of "Griselda," "The Duke's Wager," and "King Philip of France," with other attractive novelties.

Mrs Hoyne's engagement is positively for ten nights only, and no plays will be repeated. oct5:1t

NEW NAIL PLATE FEEDER.—Sherwoods' Patent Self-Acting Nail Plate Feeder for Nail Machinery. This improvement does away with the necessity of a man or boy to attend each machine. One hand can attend four machines, and each machine will cut more nails with this feeder attached, than can be done by those fed by hand, saving three hands out of four, making the nails more perfect, as it is fed by a screw, and can be run at a greater speed. It is very simple and not liable to get out of order, and can be applied to any machine now in use at comparatively a small cost. It is warranted to work perfect or no pay. A machine with this feeder attached can be seen in operation at the Fair of the American Institute, in the Palace, New York. Rights and Feeders for sale by the proprietor, JOS. W. EVERLY,

DR. J. HOSTETTER'S CELEBRATED STOMACH BITTERS have doubtless created as much sensation in the community for its remarkable cures, as any other medicine of the day. It is a fact that in the minds of many persons a prejudice exists against what are called Patent Medicines; but why should this prevent you from availing yourself of a article that has such an array of testimony to support it, as Hostetter's Stomach Bitters. Physicians prescribe it—why should you not, if it "does you good?" Clergymen extol it on its merits, have and do use it in their families; why should you reject it? Let not your prejudices warp your better judgment to the everlasting injury of your health. If you are sick and require a medicine, try these Bitters.

HELMBOLD'S GENUINE PREPARATION.—For diseases of the Bladder, Kidneys, Gravel and Dropsy.

READ! READ! READ!—"Ye afflicted read," the following letter from a man of over 60 years' standing:

H. T. HELMBOLD—*Dear Sir:* I have been troubled with an affliction of the Bladder and Kidneys for over twenty years. I have used Dr. Brandreth's Pills, and have also tried to give your genuine Preparation a trial, as I had heard so highly spoken of it. It abated me immediate relief. I have used three bottles, and I have obtained more relief from its effects and feel much better than I have for twenty years previous. I have the greatest faith in its virtues and curative powers, and shall do all in my power to make it known to the afflicted. Hoping this may prove advantageous to you in enabling you to introduce the medicine, I am truly yours, M. MCCRACKEN.

He asked him what he was going to do, when the captain answered him to the effect that he could not bear what he was about. He then ran aft and was lost sight of. The remaining part of the passengers had collected on the fore part of the vessel, and, as the steamer progressed, were pressed so closely that they were forced to the bow were forced overboard. Mr. Lundstaein succeeded in reaching a railing with a rope, which supported him about two feet from the water. He afterwards saw the mate on the overboard on the same side of the vessel where he was hanging. He was unable to render any assistance, knocked into the sea by the yard, which was hanging on the side of the vessel, and only fell into the water when the rigging burnt. The flames spread with astonishing rapidity, creating an extensive excitement among the visitors, of whom there were about 2,000. The services of the firemen were of no avail.
