by bring incorporated in Buchanan a election-cering documents, and now we see Judge Per-in his electioneering campaign, to

cal brethren. Some require more substantial fare than common place phrases and hacknied They believe, too, that a party suffers excuses. They believe, too, that a party suffers more from a scarcity of votes than from a superabundance of the same material, and if there is any intrinale virtue in political reverses, they are willing to transfer it to their opponents, which shows that they are not entirely destitute of that precious quality, called magnanimity. Among the skeptics we note the New Orleans Della, which "will not be comforted" by the when I hear man, with sycophantic face and studied phrase, and with sasemed philanthrophic morality, preaching treason to the constitution and the dictates of all human society, it will develope the month. That journal, in response to the government organ, remarks:

"Now the Union's philosphy is acceptable government organ, remarks:

This hardly accords with what our neighbor F. Com.

NEW YORK.—The opposition appear to have practically united their forces in all the New York entry and Brooklyn districts excepting one, and in that any (Sicking, district) the democracy and in that any (Sicking, district) the democracy people he was a candidate for state.

Within a few years there is a marked imp Within a few years there is a marked improvement in certain departments of trade here, such as Jobbing dry goods, and hardware. Instead of New York and Philadelphas enjoying almost the exclusive control of the Washington Union, uttered since the disastrous defeat of its party at the October the disastrous defeat of its party at the October elections, are not acceptable to all of its political processing and the second of the West and South, this city is becoming a competitor of the Quaker city in this branch of trade. This place has long been noted as a good coffee and fish market.

October 24, 1858.
