Miscellaneous.

GAS FROM ROSIN OIL
OR OTHER
FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a superior Gas(it) of Gas.

ROSIN Oil, is entirely free from all dross and refuse substances, and yiel is at once, its Brilliant Illuminating Gas.

The greatest original cost of the apparatus for the manufacture of Gas and together with the attention and expense constantly required, and the difficulty, if not impossibility, of procuring the necessary Coal at wholesome, delightful rates and ATLANTIC Gas generated in coal, render the ROSIN OIL

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

DEALERS IN FOREIGN AND DOMESTIC
DRUGS, MEDICINES AND CHEMICALS, PAINTS, OILS, DYE STUFFS, SPICES, GLASSWARE &c. &c. &c.
all descriptions.
PATENT MEDICINES
And everything appertaining to the Drug Business.

Those in want of Pure and Genuine Articles, will do well to give us a call. We guarantee to sell as low as can be bought in this or other markets, and warrant everything to give satisfaction.

We are the sole Proprietors and only Manufacturers of
B. L. FAHNESTOCK'S VERMIFUGE,
AND
DR. R. A. WILSON'S
Tonic, Cathartic and Anti-Dyspeptic
PILLS.

The best cure for worms, either in children or adults, ever offered to the public is undoubtedly the Vermifuge, prepared by B. L. Fahnestock. Thirty years experience in this class of medicine has given a sure guarantee that this is an article every way worthy of confidence. As a cure for worms it claims to stand unrivaled by any in the market. As an article it is prepared and sold as B. L. Fahnestock's and no other, as the proprietors do not wish to have it connected with any other article of Vermifuge now in the market.

WILSON'S PILLS have had a more local existence for over twenty years, and supported by advertising of any kind, and held at double the price of most they are now sold at, yet with all these disadvantages wherever used they have in no instance failed to render the utmost satisfaction in performing all the requirements of a valuable family medicine, and as such are recommended by some of the most worthy and respectable citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa., says:

Dr. R. A. Wilson, Pittsburgh, Pa.—I have been using your Anti Dyspeptic Pills, and Vermifuge required for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and head: they have always left my system in better condition than they found it, and most confidently commend your pills as a safe and highly valuable medicine.
Yours, respectfully,
WILLIAM HOPKINS.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common plants or weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple or Blotch.

He has tried it in over seven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a running sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two to three bottles are warranted to cure the worst case of scrofula.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure running of the ears and blotches around the face.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of tetter.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as a remedy concocted growing in the pastures, and along old stone walls; but it should cure every humor in the system, yet it is now a fact. If you have a humor it has to come out, no matter how deep seated, humor or boil as about the melting snow cause and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has completely done some of the greatest cures ever done in Massachusetts. I gave it to children under a year old; to old people of ninety. I have seen poor, puny, worthy looking children whose heads were all scaly, and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to cancers, and dissipates them entirely in a few days. I have taken them myself, and can be applied to any machine now in use at comparatively a small cost. It is warranted to work perfect in operation at the Fair of the American Institute, Crystal Palace, New York. Rights and Feeders for sale by the proprietor.
D. W. SEELEY,

Safety and Economy in Light.

WHY will you burn Camphene and fluid, when you can get a cheaper and better light. Pure Kerosene oil, made from the gas of Geonol Coal, produces the cheapest, most brilliant, steady, pleasant and safe portable light ever offered to the public, and no danger of explosion; more brilliant than gas, and quite as cheap; lamps of the most simple and easily managed construction. For sale by
E. D. & G. HOLKINSON,
No. 13 St. Clair st., near the bridge.
Beware of a counterfeit already in the market, made from Carbolene, with a little Coal oil to scent it.
