tian view of it, and at the same time contribute of Congressional intervention on behalf of Slaton my happiness?" we will, by his permission, thus answer the question: Observe the day by the determination to make this a plank in the democratic platform is as plain as day. It is described to fiss. By a most fortunate coincidence of sins. By a most fortunate coincidence of the Dred Scott doctrine, which the festival occurs at a season of the year when the wants of the poor are most pressing. We are reminded of their condition by every wintry blast which drives us to the shelter of our own-fresides, and which repeats, in solem language, the injunction given from inspired lips, that we have the poor always with us.

We pity the man who can find in the annual

language, the injunction given from inspired lips, that we have the poor always with us.

We pity the man who oan find in the annual recurrence of Thanksgiving day no other and higher enjoyme. All than that offered by the pieces are principled to the happiness which works of charity on those who have a work of the portion itself, and offered the happiness which works of charity on those who have a work of the portion is stated to the portion of the country of the demands for the good offices of the bless-integrating of the country of the merest pillance, are now out of employment, and, with their familities, are suffering our meets and show have no work to give. Let these who have no work to give. Let the the country of the country to the country to the country to those who have no work to give. Let these who have no work to give. Let these who have no work to give. Let these who have no work to give. Let the seed the position itself and the charitation of the country to the position itself and the charitation of the country of the position itself and the charitation of the country of the country of the pleasure of the other than the position itself and the charitation of the country of cient cause to bless their good fortune to be placed in a community whose hands were full

mortal and a democrat, the ambitious Kentuckian, instead of working at the battery and directing the fire, was actually angaged in assistant and sympathizing with "the enemy." Thus while the President was hurling anotherms at the devoted head of the little giant, the Vice President was writing letters in his favor, telling the people of Ullinois that he was not as much of a rebel add a traitor as his enemies. mortal and a democrat, the ambitious Kentuck-

were inexplicable at the time of their occurrence duties to the poor and distressed.

"Judge Douglas is doing all in his power to suppress any outbreak in his favor as a candidate for the Presidency in this State; but he is stidently pleased with such outbreaks in other States. He is bold in saying that the South in entitled to the next Presidency, and that it will insist upon it. He is particularly severe upon Cobb, Slidell and the other Southern candidates, except Wise and Breckenridge. But he thinks the divisions in Virginia, between Wise and Huater, and the general unpopularity of Wise in the Free States, owing to his impulsiveness, will prevent his nomination. He argues all the time in favor of Breckenridge, but pretends to be uncommitted.

be uncommitted.

'There was, no doubt, a perfect understanding between Douglas and Breckenridge when
Breckenridge wrote his letter in favor of Douglas to this State, which letter disorganized the

las to this State, which letter disorganized the Buchsnan party in Illineis.

"If the Charlesthe Convention should come off to-morrow, the voic of the delegates from this State would be cals for John C. Breckenridge. This is the way. Judge Douglas is playing his game now; but it may be in hopes that, by playing into the hands of the South at first, the South may eventually return the compliment and go for him. At any rate, it is aske to say that Judge Douglas wishes to make the South believe that he is in favor of a Southern candidate next time. It is also safe to say that Mr. Breckenridge could not have interfered with Illinois polities upon the assurance that Illinois was to sunnert him for President."

ocratic candidate for Governor, last year, leads off in favor of this dangerous project; but the people of the interior of the State do not seem to reliab it much. The Fairfield Ledger indulges in the following strong language concerning it:

"It seems that the grasping railroad speculators have not shandoned the idea of procuring some tem millions of State bonds to aid them in constructing their various roads, and to further bable them to more perfectly fleece the tax payers of the State. The cool andacity manifested in this outrageous project, surpasses anything that the railroad skin-flints have ever year in the state. The cool andacity manifested in this outrageous project, surpasses anything that the railroad skin-flints have ever year in the shape of Iowa have stoo much sense to submit such a proposition to the people, and if it ever should be submitted, the people will bury it so despitably the submitted, the people will bury it so despitably private subscriptions and county subscriptions. We say given, because we believe that the stook held by individuals and by counties will nover realise one deliar to the holders—the whole antistut will pass into the pocksts of a few railroad apsculators. If, in addition to this, the grasping gentlemen could sequire ten millions of Nate bonds, no doubt but they would feel preity comfortable. But they mover will get them the people will be marked by the people. We want is a follar—not a follar—not a follar and the sufficial or the sufficial countries in three of our principle cities—the attempted particle, fratricide, and wholsale murder in New York; the brinting and follar—not a follar oright to be marked by the people. We wan no railroad debt placed on our State—not dollar—not a dollar."

New Onleans, -The N. O. Bulletin given the details of deaths in that city during the preval-The total number of deaths by yellow fever in that timb was 4767, by other diseases 3115-allogebar, 7602. Thus a number sufficient to con-

Anoso other sufficient to consult of the sufficient to consult of the sufficient of State Hoket is 10,000. Stuart, the democratic to for Governor, was a strong man, and was all the stronger for having voted against mense at Lecompton in the Benale, last winter. But even he could not carry the administration through

Of Christian Charity!

How the Austria was Burner,—A passenger to Douglas as follows:

On the Austria furnishes the N. Y. Times with a tor Douglas as follows:

"He errer has had and never well have an as on the Austria furnishes the N. Y. Times with a statement as to how that vessel caught fire, which piration for honors or position, unless such honor likely than the original story.

Mr. Barchenstone has been playing a sly but steady game for the Presidency ever since he has taken upon himself the duties of the second office. He has made use of this position to stab the President, to undermine his power and statement as to how that vessel caught fire, which piration for honors or position, unless such honor or position for honors or position, unless such honor likely than the original story.

Was going prosperously and pleasantly on, the captain made a bet that he would arrive at New stab the President, to undermine his power and statement as to how that vessel caught fire, which piration for honors or position, unless such honor likely than the original story.

Tonut. Col. Albert Pike, M. C from Ar the properties of the president, to undermine his power and statement as to how that vessel caught fire, which piration for honors or position, unless such honor or position for honors or position, unless such honor seems much more likely than the original story.

Tonut. Col. Albert Pike, M. C from Ar the properties of the second of stab the President, to undermine his power and to destroy, his influence in his own quiet way, whilst at the same time the confiding democracy were under the impression that he was actuated by friendly and quaselfish motives. When Mr. Buchanan saw proper to turn his guns on the rebellious Bouglas, for the purpose of teaching that refractory individual that he was still a mortal and a democrat, the ambitious Kentuck-combustion was felt all over the vessel —that this location resident that the whollies of part like there are then be had hitherto reck time. The value of the funnels present the same time the confiding democracy while a thick black smoke by day and a derect red fame by night was forced out of the funnels —that a thick black smoke by day and a derect red fame by night was forced out of the funnels —that the increased heat from the augmented—to combustion was felt all over the vessel —that this location reached the present recking the part of the proposed to the funnels —that a thick black smoke by day and a derect red fame by night was forced out of the funnels —that the increased heat from the augmented—to combustion was felt all over the vessel —that this location reached to the funnels —that a thick black smoke by day and a derect red fame by night was forced out of the funnels —that the increased heat from the augmented—to combustion was felt all over the vessel —that this location reached to the state of the state of the state of the state of the present reached to reck the whollies of part liberto reck the whollies of the part

orthodox pro-slavery democrat, preferable in The Pittenesia Inginant - There is not every sense of the term, to his edicus "likest transition in our milital more deserving of aid Republican" opponent. Nay more—subsequent that the ritishurgh Inhrmary, under the care developments go that to show that the title of Rev. W. A. Passavant. It is now in a very Proceedings and the Illinois Senator had entered needy condition, and we commend it to the into a regular alliance against the President, thoughtful consideration of all who are mindful, which accounts for a great many things that on this day devoted to thankfulness, of their

were inexplicable at the time of their occurrence. This places Kentucky chivalry in a new aspect, and shows that 'the "model of a true western gentleman" has his own notions of what is eminently right and proper, under certain circumstances. The following, from the Chicago Democrat, will throw some light on this rather dark subject:—

"Judge Douglas is doing all in his power to suppress any outbreak in his favor as a candidate for the Presidency in this State; but he is settlently pleased with such outbreaks in other States. He is bold in saying that the South in entitled to the next Presidency, and that it will on the occasion.

duties to the poor and distressed.

THE FORT WAYSE THEVEY ARRESTED AND THEN PROMITED THOM YORK are now treating a large shed of fresh man pricing. Are now treating a large shed of fresh man in the mode of the Wahah and Seattlery, informs us that the thieves who robbed the safe of the Wahah and nearly \$17,000 of the money recovered it appears that a carpenter, named Rivers, had a key which unlocked the safe; and saw the Secretary put the money into it. Rivers persuaded a German at work in the shop to go with big and the south of the presidency of the State; but he is settlently in the money into it. Rivers persuaded a German at work in the shop to go with big and the south of the presidency and that it will on the occasion.
