GAS FROM ROSIN OIL.

PATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, disagreeable and offensive gases, congregated in coal, render the ROSIN OIL APPARATUS Cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

SERVICABLE, RELIABLE AND NEAT.—The popularity of the *Pearl Cane Cap* is attested by all who carry them. They are perfectly reliable, and resemble a neat walking stick so accurately, that no one would suspect it to be anything else, unless, indeed a brilliantly enamlled would endeavor to wrest it from its owner. They are a most ingenious invention. Price from ten to fifteen dollars. We will take pleasure in exhibiting these goods.

Giving Health and Vigor to the Frame, and Bloom to the Pallid Cheek.

JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found

Indisposition
to Exertion, Loss of
Power, Loss of Memory,
Difficulty of Breathing Gen-
eral Weakness, Horror of
ness, Weak Nerves, Trembling, Dread
ful Horrors of Death, Night Sweats, Cold Feet,
Wakefulness, Dimness of Vision, Languor, Univer-
sal Lassitude of the Muscular System, Often Enormous
Appetite, with Dyspepsia, Palpitation of the Heart,
Flushing of the Body, Dryness of the Skin
Pallid Countenance and Eruptions on
the Face, Pain in the Back, Ha
viness of the Eyelids, Fre
quently Black Spots
Flying before
the Eyes,
with Temporary Suffusion and Loss of Sight; Want of attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such Patients than Solitude, and nothing they more
Dread for fear of themselves; no Repose
of Manner, no Earnestness, no Specu-
lation, but a Hurried Transi-
tion from one question
to another.

These symptoms, if allowed to go on—which this medicine invariably removes—often follows LOSS OF POWER, FATUITY, AND EPILEPTIC FITS—in one of which the patient may expire. Who can say that those excesses are not frequently followed by those direful diseases—INSANITY AND CONSUMPTION! The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. To Lunatic Asylums the most melancholy exhibition appears.—The countenance is actually sodden and quite destitute—neither Mirth or Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With wild mean or woe despair
Low sullen sounds his grief beguiled."

Debility is the terrible and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of blood disease, from the worst Scrofula to a common Pimple.

Over one hundred cases, and never failed except in two cases, where the counsel of the patient would not follow directions. Two bottles will cure the worst kind of pimples on the face.

Two to three bottles will clear the system of boils.

Two bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors of the skin.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and rancid blood.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to six bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing lacks so improbable to those who have in vain tried all the wonderful remedies of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has a cure. There are no humor sores, burns or he's about the smiling some cause and not yours. I positively never knew a case of it in the victory of Boston. I know its effects in every case. It has a steady done some of the greatest cures ever done in Massachusetts. I put it to children over a year old; to old people, and of sixty. I have seen poor, puny, worny looking children whose flesh was hard and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It is a sure relief to celery and dandelion. Some who have been onstive for years, have taken and been regulated by it. Where the body is so sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed, they are only the disease in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it than can ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise an herb, which, when steamed in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

H. T. KENNEDY gives personal attendance in the cases of scrofula.

PHYSICIANS WILL have but a mere local existence for over twenty years, unsupported by advertising of any kind, and held at double the price of what they are now sold at, yet with all these disadvantages wherever used they have in no instance failed to render the utmost satisfaction in performing all the requirements of a valuable family medicine, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa., says:

WASHINGTON, January 8, 1855.

Dr. R. A. Wilson, Pittsburgh, Pa.—Sir: I have been using your Anti Dyspeptic Pills, when occasion required, for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and head: they have never failed to relieve me from headache, and have always left my system in better condition than they found it. I must confidently commend your pills as a safe and highly valuable medicine.

Yours, respectfully, WILLIAM HOPKINS.
