GAS FROM ROSIN OIL
OR OTHER

FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Resin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Rosin Gas Compared with Gas from Coal, is with coal in order to supply their customers with a superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas. The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

R. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the Public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

HELMBOLD'S
GENUINE PREPARATION
OF
Highly Concentrated Compound Fluid
Extract Buchu,
For Disease of the Bladder, Kidneys, Gravel, Dropsy, Weakness, Obstructions, Female Complaints, and all Diseases of the Sexual Organs,
Arising from Excesses and Imprudencies in life, and removing all Improper Discharges from the Bladder, Kidneys or Sexual Organs, whether existing in
MALE OR FEMALE,
From whatever cause they may have originated,
AND NO MATTER OF HOW LONG STANDING,
Giving Health and Vigor to the Frame, and Bloom to the Pallid Check.
JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found
Indisposition
to Exertion, Loss of
Power, Loss of Memory,
Difficulty of Breathing, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite, with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots
Flying before
the Eyes,
with Temporary Suffusion and Loss of Sight; Want of attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such Persons than Solitude, and nothing they more Dread for fear of themselves; no Repose of Manner, no Earnestness, no Specification, but a Hurried Transition from one question
to another.

Those symptoms, if allowed to go on—which this medicine invariably removes—soon follows LOSS OF POWER, FATUITY, AND EPILEPTIC FITS—in one of which the patient may expire. Who can say that those excesses are not frequently followed by those direful diseases—INSANITY AND CONSUMPTION? The records of the INSANE ASYLUMS, and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears—The countenance is actually sodden and quite destitution—neither Mirth nor Fear vibrate it. Should a sound of the voice occur, it is rarely articulate.

"With wild measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible and has brought thousands upon thousands to an untimely grave, thus blasting the ambition of many noble youths. It can be cured by the use of this

Infallible Remedy.

If you are suffering with any of the above distressing ailments, the FLUID EXTRACT BUCHU will cure you. Try it and be convinced of its efficacy.

BEWARE OF QUACK NOSTRUMS & QUACK DOCTORS who falsely boast of abilities and references. Citizens know and avoid them, and save Long Suffering, Money, and Exposure, by sending or calling for a bottle of this Popular and SPECIFIC REMEDY.

It allays all pain and inflammation, is perfectly pleasant in its taste and odor, and immediate in its action.

THE GREATEST!

MEDICAL DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Humor from the worst Scrofula to a common Pimple.

He has tried it in over seventeen hundred cases, and never failed except in a case of confirmed (with thunder lines etc) Phthisic now it is almost impossible for him to find a case of Humor of the value, at all within twenty miles of Boston.

Two bottles are warranted to cure the worst case of Scrofula. One to three bottles will cure the worst kind of pimples or Blotches on the face.

Two to three bottles will cure the worst case of Erysipelas.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so forbidden to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no if nor ands, buts or ba's about the suffering some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston, and its effects in every case. It has a result done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old, to persons of sixty. I have given it to females of the most delicate constitutions, from the infant whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some have been costive for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the secretions, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant accounts of it that ever were related. No change of diet is ever necessary; eat the best you can get. I have thrown six barrels, which often simmered in the sun, directly over the sick and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, teaspoonful. As no directions can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

We are the sole Proprietors and only Manufacturers of

D. L. FAHNESTOCK'S VERMIFUGE,
AND
DR. R. A. WILSON'S
Tonic, Cathartic and Anti-Dyspeptic
PILLS.

The best cure for worms, either in children or adults, ever offered to the public is undoubtedly the Vermifuge, prepared by D. L. Fahnestock. Thirty years experience in this class of medicine has given it its guarantee that this is an article every way worthy of confidence. As a cure for worms it claims to be unequalled, and as a mercantable article it is prepared and sold on its merits alone, and no other, as the proprietors do not wish to have it confounded with any other article of Vermifuge now in the market.

WILSON'S PILLS have had a mere local existence for over twenty years, unsupported by advertising of any kind, and held at double the price of what they are now sold at, and yet with all those disadvantages, wherever used they have given universal satisfaction in regulating the utmost satisfaction in all cases where failed to render the utmost satisfaction in performing all the requirements of a *valuable family medicine*, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa., says:

WASHINGTON, January 8, 1858.

Dr. R. A. Wilson, Pittsburgh, Pa.—I have been using your Anti Dyspeptic Pills, when occasion required, for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and bowels; they have never failed to relieve me from headache, and have always left my system in better condition than they found it. I must confidently commend your pills as a safe and highly valuable medicine.

Yours, respectfully,
WILLIAM HOPKINS.
