Miscellaneous.

GAS FROM ROSIN OIL
OR OTHER
FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have always made them a favorite material for the manufacture of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once, its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, of 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser, guaranteed in every case. For further information address

S. COATES, 376 Broadway, New York;
Jy20-3awdly or DAVID H. WILLIAMS, Pittsburgh, Pa.

SERVICABLE, RELIABLE AND NEAT.—The popularity of the *Patent Cane Gun* is attested by all who carry them. They are perfectly reliable, and resemble a neat walking stick so accurately, that no one would suspect it to be anything else, unless, indeed, a ruffianly assailant would endeavor to wrest it from its owner. They are a most ingenious invention. Price from ten to fifteen dollars. We will take pleasure in exhibiting these goods.
CARTWRIGHT & YOUNG,
no19 No. 89 Wood street.

BECKER'S EYE BALSAM.—This balsam is an excellent remedy for sore and inflamed Eyes, in all cases of pustule, scrofulous, and what is generally called wild hair in the eyeballs, it has been used with success. Another fresh supply just rec'd by JOS. FLEMING,
no11 corner Diamond and Market st.

PHALON'S PAPHIAN LOTION, for removing freckles, pimples, spots, and dispels redness and incipient inflammation, restores the skin to a state of purity and softness, improving and beautifying the complexion, rendering the skin soft and transparent. A fresh supply just received by JOS. FLEMING,
no9 corner Diamond and Market st.

Medical.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over a hundred cases, and never failed in a single case (except two, both thunder-headed.) He has now in his possession over two hundred certificates, all within the last twenty months, of Boston.

One bottle is usually sufficient to prove a boasting me worth, the cost is trifling, and it is warranted to give satisfaction in every case, or the money will be refunded by the proprietor.

Two bottles are warranted to cure the worst case of Erysipelas.

One to two bottles are warranted to cure all humors of the skin.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure scrofula and coughing ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate cases of ringworm.

Three to four bottles are warranted to cure the worst cases of ringworm.

Three to four bottles will cure the worst case of scrofula.

Five to eight bottles will cure the worst case of scrofula, if the patient is always experienced from the first bottle, and perfect cure is warranted when the above quantity is taken.

Nothing looks so unpleasant to those who have to visit and all the wonderful medicines of the day, as to find a common weed growing in the pastures, and along old stone walls should ever every house in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs ners and buns, hums or has's about the suiting some cases and not yours. I have several bottles of this in the medical property of Boston. I know its effects in every case. It has a steady slow course of the greatest cures ever done in Massachusetts. I gave it to children over a year old; to old people of sixty. I have seen poor, puny, weeny looking children to whose flesh was actually dishy, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure. Some who have been costive for years, have taken and only for when taken by one in health they produce no effect. quite easy, but where there is any deranged parts of the functions of nature, it will cause very singular feelings, but you have no fear of it, for they always disappear in from four to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new creature. Some of the most extravagant recommendations of it that can ever listened to. No change of diet is ever necessary; eat the best you can get. I have likewise been requested by it where the body is sound it works
