GAS FROM ROSIN OIL
OR OTHER
FATTY FLUID MATERIAL.

THE HIGH ILLUMINATING PROPERTIES of Gas from Rosin and oleaginous substances have long made them a favorite material for the manufacture of Illuminating Gas. And as Companies use Rosin in with coal, in order to supply their customers with a Gas superior Quality of Gas.

ROSIN OIL is entirely free from all dross and refuse substances, and yields at once its Brilliant Illuminating Gas.

The greater original cost of the apparatus for the manufacture of coal gas together with the attention and expense constantly required, and the difficulty, if not impossibility, of getting separately the ingredients, deleterious and obnoxious gases generated in coal; render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. COATES, 276 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

And everything appertaining to the Drug Business.

Those in want of Pure and Genuine Articles, will do well to give us a call. We guarantee to sell as low as can be bought in this or other markets, and warrant everything to give satisfaction.

We are the sole Proprietors and only Manufacturers of
E. I. FAHNESTOCK'S VERMIFUGE,
AND
DR. R. A. WILSON'S
Tonic, Cathartic and Anti-Dyspeptic
PILLS.

The best cure for worms, either in children or adults, ever offered to the public is undoubtedly the Vermifuge, prepared by E. I. Fahnestock. Thirty years experience in this line of medicine has given a sure guarantee that this is an article every way worthy of confidence. As a *cure for worms* it claims to be unequalled; and as a merchantable article it is prepared and sold as E. I. Fahnestock's and no other, as the proprietors do not wish to have it confounded with any other article of Vermifuge now in the market.

WILSON'S PILLS have had a more local existence for over twenty years, unsupported by advertising of any kind, and held at double the price of what they are now sold at, yet with all these disadvantages wherever used they have in no instance failed to render the utmost satisfaction in performing all the requirements of a *valuable family medicine*, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa., says:

Dr. R. A. Wilson, *Pittsburgh, Pa.*—I have been using your Anti Dyspeptic Pills, when occasion required, for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and head: they have never failed to relieve me from headache, and have always left my system in better condition than they found it. I most confidently commend your pills as a safe and highly valuable medicine.
WILLIAM HOPKINS.
