GAS FROM ROSIN OIL.
ON OTTER'S
PATENT FLUID MATERIAL.
THE HIGH ILLUMINATING PROPERTIES of the Gum, Resin and obnoxious substance have always made them a favorite material for the main feature of Illuminating Gas. Many Gas Companies use Rosin with coal, in order to supply their customers with a Superior Quality of Gas.

ROSIN OIL is entirely free from all gross and refuse substances, and yields at least, in Brilliant Illuminating Gas,

The greater original cost of the apparatus for the manufacture of coal gas together with the additional fuel, and more constantly required, and the difficulty, if not impossibility, of entirely separating the unwholesome, deleterious and offensive gases, generated in coal, render the ROSIN OIL APPARATUS cheaper and more desirable in every way.

S. OTTER, 376 Broadway, New York, has devoted his entire attention to the manufacture and sale of Portable Gas Apparatus, and he respectfully calls the attention of the public to his present complete and efficient machine.

Perfect satisfaction to the purchaser guaranteed in every case. For further information address

And everything appertaining to the Drug Business.
Those in want of Pure and Genuine Articles, will do well to give us a call. We guarantee to sell as low as can be bought in this or other markets, and warrant everything to give satisfaction.
We are the sole Proprietors and only Manufacturers of
B. L. FAHNESTOCK'S VERMIFUGE.
AND
DR. R. A. WILSON'S
Tonic Cathartic and Anti-Dyspeptic
PILLS.
The best cure for worms, either in children or adults, ever offered to the public is undoubtedly the Vermifuge, prepared by B. L. Fahnestock. Thirty years experience in this line of medicine has given a sure guarantee that this is an article every way worthy of confidence. As a cure for worms it claims to be unequalled, and as a merchantable article it is prepared and sold as B. L. Fahnestock's and no other, as the proprietors do not wish to have it confounded with any other article of Vermifuge now in the market.
WILSON'S PILLS have had a mere local existence for over twenty years, unsolicited by advertising of any kind, and hold at double the price of what they are now sold at, yet with all those disadvantages wherever used they have in no instance failed to render the utmost satisfaction in performing all the requirements of a *valuable family medicine*, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what the Wm. Hopkins of Washington, Pa., says:
WASHINGTON, January 8, 1858.
Dr. R. A. Wilson, Pittsburgh, Pa.—I have been using your Anti Dyspeptic Pills, when occasion required, for many years, and can truthfully say that I have never found any medicine equal to them in relieving me from affections of the stomach and head; they have never failed to relieve me from headache, and have always left my system in better condition than they found it. I most confidently commend your pills as a safe and highly valuable medicine.
Yours, respectfully,
WILLIAM HOPKINS.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Humor from the worst Scrofula to a common Pimple.
He has in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a scalding sore mouth.
One bottle bottles will cure the worst kind of pimples of the face.
Two to three bottles will scour the system of boils.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One to two bottles are warranted to cure all humors of the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and ranging ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the most desperate cases of rheumatism.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor of the system; yet it is now a fixed fact. If you have a boil it has come to stay. There are no ifs nor ands, buts or he's about the matter, some cause and not a boil will appear after a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old, to full grown people of sixty. I have seen poor, puny, worthy looking children when first taken soft and flabby, restored to a perfect state of health by one bottle.
To those who are subject to a sick headache, one bottle will prove a blessing. It gives great relief to sufferers and cures. Some who have been costive for years, have taken and been regulated by it. Where the body is second it works judiciously, but when there is a want of action in the functions of nature, it will cause very singular feelings, but you must not be alarmed—always persevere in from one to three days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extraordinary testimonies of it that man ever listened to. No change of diet is ever necessary, eat the best you can get. I have likewise an herb, which, when steeped in sweet oil, dispels any accidental swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.
DIRECTIONS FOR USE.
Adult, one table spoonful per day. Children over eight years of age, a dessert spoonful; children from five to eight years, tea spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.
Mr. KENNEDY gives personal attendance to bad cases of scrofula.
Medicine sent to any part of the country by express.
Office and Laboratory, 2 Dover street, Boston.
KENNEDY & KINGSBURY, Sole Proprietors.
Sold by all Druggists everywhere, as well as from the Laboratory.
