DES. FITCH A SYRES would state hat their treatment of Consumption is based upon its fact that he disease critic in the blood and system at large, both before, on "desiring its development in the lungs, and they therefor employ Machanical, Hygicale and Medicinal remedies to purify the blood and strengthen the system. With Cates, they are MEDICHAL INHALATIONS, which they value highly, but only as Pallicatives, (having so Carative sfee when such alone,) and invalids are earnestly cantioned against wasting the precious time of curability on any treatment based upon the plausible, but false idea that the "seat of the disease can be reached in a direct manner by inhalation," for as before yields, the seat of the disease is in the blood and its effects only in the lungs.

THE STORY OF FI

Reed, the gentlemanly agent, at No. 65 Fifth st. S. A. Bown & Co., confectioners and fancy cake bakers, invite their friends and patrons to an examination of their splendid display of holiday confectionery at their well known stand, Federal street, Allegheny. Their stock of confectionery is the most extensive they have yet offered to the public, comprising the choicest collection of plain and fancy candies, fine sugar toys, cornets, cornucopias, etc. They are also prepared to furnish fine cakean all kinds, finished in the most magnificent style, and at unusually low prices to suit the times. They have also on hand a choice assortment of fresh fruits, jellies and preserves, which they will sell cheap. § The remnant of Carnaghan's winter stock of fine piece goods for custom work, and well made clothing for men's and boys wear, is now disposed of at low rates to make way for spring goods. Those acquainted with the character of his stock will best appreciate his present prices.
