IMPORTANT TO CONSUMPTIVES!
DR. CHURCHILL'S DISCOVERY!
THE HYPOPHOSPHITES
of LIME, SODA and POTASH,
A SPECIFIC REMEDY FOR THE TREATMENT OF
CONSUMPTION

THIS now and important Discovery in the treatment of consumption (Consumption) was made by the celebrated Dr. John Francis Churchill of Paris, and first communicated to the French Academy of Medicine in 1856. It has been adopted and is now used throughout the Continent of Europe with unprecedented success as a cure and preventative of this most formidable scourge of the human race. The Hypophosphites are recommended by the most eminent Physicians of New York, who prescribe it for their patients.

So long as 1858, Dr. Churchill, by a serial of scientific deductions, came to the conclusion, that the *proximate cause*, or at all events, an essential condition of Tuberculous (Consumption) was a *deficiency* in the system of the phosphorus it contains in a combinable state. He made the drew the obvious inference, that the means of curing the disease consisted in restoring the deficient elements.

For this purpose, it was necessary to select some compound of phosphorus which should be at the same time oxydizable and assimilable—that is, capable of entering into and forming a part of the system. Three conditions were found to exist in the *Hypophosphites of Lime, Soda and Potash*, which seemed best to fulfil the two requisites of *oxydation*, or combustion, and *assimilation*. The use of the Hypophosphites shows these preparations to have a two-fold specific action. On the one hand *they increase the principle*, whatever that may be, which *constitutes nervous force*; and on the other they are the most *powerful blood generating agents* far superior to any hitherto known.

The Physiological effects of the use are shown by an increase of *nervous power* almost even from the first day of their administration, together with an *unusual vitality of comfort and strength*. The *appetite* returns often in an extraordinary manner. The *sensations* be *hyperisthetic*; *abundant*; the perspirations, if any, have existed, cease; *sleep becomes calm and profound*. All the general symptoms disappear with a rapidity that is truly marvellous.

☞ The *Hypophosphites*, as prescribed by Dr. Churchill, are now for the first time offered to a *chemically pure form* in the United States by the undersigned.

Price $2,00 per bottle, in a *concentrated form*, by mail.—Three bottles will be sent for $5 when ordered by Express, or delivered by Express or private hand. Ample directions accompany each package. Circulars and all desired information may be obtained by addressing (with a stamp enclosed)

Medical.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, OF ROXBURY, HAS discovered in one of our common pasture weeds, a remedy that cures every kind of Human from the worst Scrofula to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humors). He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a run sting sore mouth.

One to three bottles will cure the worst kind of pimples of the face.

Two to three bottles will assist the system of boils.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of scrofula.

One to two bottles are warranted to cure all humors of the eyes.

Two bottles are warranted to cure ringing of the ears and stitches as dog the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruption of the skin.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Two to three bottles are warranted to cure the worst cases of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about the sailing some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in *every* case. It has a ready done some of the greatest cures ever done in Massachusetts. I gave it to children over a year old: to old people of sixty. I have taken poor, puny, wormy looking children whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief to catarrh and dizziness. Some who have been costive for years, have taken and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary, eat the best you can get. I have likewise taken a bottle, when stomached in sweet oil, dissolves accumulations swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE.

Adult, one table spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea spoonful. As the above quantity is sufficient for most constitutions, take enough to operate on the bowels twice a day.

Mr. KENNEDY gives personal attendance in bad cases of scrofula.

AND
DR. R. A. WILSON'S
Tonic, Cathartic and Anti-Dyspeptic
PILLS,

The best cure for worms, either in children or adults, ever offered to the public and admirably the Vermifuge, prepared by B. L. Fahnestock. Thirty years experience in this line of medicine has given a sure guarantee that this is an article every way worthy of confidence. As a cure for worms it claims to be *unequalled*, and as a merchantable article it is prepared and sold as B. L. Fahnestock's and no other, as the proprietors do not wish to have it confounded with any other article of Vermifuge now in the market.

WILSON'S PILLS have had a more local existence for over twenty years, unsupported by advertising of any kind, and hold at double the price of what they are now sold at, yet with all these disadvantages wherever used they have in no instance failed to render the utmost satisfaction in performing all the requirements of a *valuable family medicine*, and as such are recommended by some of the most worthy and responsible citizens of the land. Hear for instance what Col. Wm. Hopkins, of Washington, Pa. says:

Dr. R. A. Wilson, Pittsburgh, Pa.—I have been using your Anti Dyspeptic Pills, for some time past, and can truthfully say that they have done more for me than any medicine I have ever taken. They have restored the functions of the stomach and head; they have never failed to relieve me from headache, and wherever I have been in a bilious condition than they have never failed to relieve me. They are worthy and well worth extra. I consider them the finest vermifuge in use. They have never failed to remove worms of the worst character, and where there is any sorrow and joy bursts from every tenement. I can recommend them to you without disguise, and cheerfully subscribe myself as ever, yours, &c. WILLIAM HOPKINS.

He pinched up nose and ears, and read the signs, tell the dreadful truth in language which every mother knows. Give it the Pills in large doses, and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, say they and the marvel of this age? And yet they are done around you every day.

Have you the less serious symptoms of these dis-tempers, they are the easier cured. Jaundice, Costiveness, Headache, Stomach Heartburn, Foul Stomach, Nausea Pain in the Bowels, Flatulency, Loss of Appetite, Kidney Evil, Fever of those who have witnessed them, and have volunteered their testimony, as we do ours, to its restorative power.
