The property of the property o

the wast regions in our country, now unoccupied, and thus add, millions to our national wealth. There is one fact not known in the old world which would, in a peessure, destroy the permitted of the people to what might come to be demoned as a crooblesome and mirchlerous monopoly.

A decision has just been rendered in the United the people to what might come to be demoned as a crooblesome and mirchlerous monopoly.

A decision has just been rendered in the United the people to what make the manual to the continuous in famous or the control, which is, that Mr. Buchuran is an old federalls, who here that confidence in democratic institutions, and who has ever hold popular government in of "Demotraca" in order to graifly his ambition.

It was bad enough is him to inflict his bad government of the country, without giving it as had 'name among European nations.

Thus Parls correspondent of The Boston Trayel, furnishes, in hal last letter, the following in regard to a late with of the venerable Lord Prougham to Paris.

Thus Parls correspondent of The Boston Trayel, philanthropist, scholar writer, continuous in farm health, dithough a gibber of the country of the cou
