TOWN AND CITY BONDS FOR RAIL ROAD PONE.—Another judicial opinion is anneunced ou this subject. Towns in Cayuga county, which voted to subscribe for Stock in the Lake Ontario Auburn and New York Railroad Company issued their Bonds in payment for the Stock. As in many similar cases, the Road has never been finished, the Stock is worthless, and the Towns would gially scorp. if possible, the fruits of their unfortunate mistake. To test the question the cashier of the Cayuga County Bank brought Pittsburgh Gazette. PUBLISHED DAILY AND WEEKLY BY S. 7. Wells, of the 7th District, has given his opinion in the demutrer Judge W. sustains the claim of the defendants that "it does not appear that the Town Officers W borrowed any money" upon the bonds, which it was what the law nuthorized them to do ; and that "it does not appear that two-thirds of the Lax-payers gave in writing their assent" before the Bonds were issued, as the law required should be done. So far, the Court appears to justify the refusal of the Toyns to pay the Bonds. This, however, is not to be understood as a final decision to that effect. Given upon points raised by domurrer, the opinion only requires the holders to amend their complaint and establish the shove facts, which "do not appear" in it. Should they fail to do so, we infer that the decision of the Court will be adverse to them. Should they succeed in no doing, the trial of the case will proceed.—Alls. Fee. Jour.
