Locust Grove Senthary.—This excellent and flourishing institution of learning, under the charge of Rev. George T. Rider, assisted by five competent teachers, will hold its regular examination at their Academy in Lawrenceville, commencing to-day and continuing until Wednesday night. This school for young ladies is well conducted and is enjoying a successful career. The next term will connuence on Thursday the Utility

The New Brighton Times, of Saturday, says:
"Last week we inserted a notice of a lecture to
be delivered by S. L. Boulton. The time came
and the lecturer tod, but the shameful presence
of alcohol, assuming and usurping the supremacy over the lecturer, confounded him and disgusted the audience, ending in general confusion
between the would-be lecturer and the unruly
boys."

MR. R. G. PHILLIPS, of Beaver, who it will be Ma. R. G. Phillips, of Beaver, who it will be recollected it was supposed had not with foul play on his way home from New Orleans, has turned up. It seems he wrote to his friends on his arrival at St. Louis, but the letter mis-carrying, fears were entertained that he had been murdered for his money. He is now at Paducah, Kentucky.

Ws are indebted to Mr. Sullivan, Deputy Su-perintendent of Schools in this State for a full report of the County Superintendents for the last year. It makes a large volume. We have already published from advanced sheets sent as by the same gentleman, a condensed view of the whole system, and it would be needless to repeat it here.

THE Rev. M. E. Cross will deliver a free lecthre this evoning, on Temperance, at Rev. Mr. Gracoy's Church (U, P.) on Pike street. A new interest is beginning to be felt in this subject, and it is none too soon. The ravages of the destroyer are apparent in all places. We trust Mr. Cross may have a large and long, Wn learn that a bill is already framed, charter-

ing a passenger railway company, to lay a track from this city to Woods' Run, below Manches-ter. It would be a great convenience to the peo-ple here as well as there, doubtless. We are also informed that a similar railway is projected between here and listinghey.

Robert Leckey, two Intelligent and industrious practical mechanics, of Allegheny city, have received a patent from Washington for a very valuable improvement for alide valves in steam
