It is supposed that the following of any interest in the children had gone through the state of the following of any interest in the children had gone through the state of the state of the state of the following of a state of the state of

were fined \$800. The prose was entirely under the direction of the government. Bosiness was dull. Copper had advenced to \$18. The dates from Callae are to Jan. 11th. The pros-pect of a general revolt was increasing. While an edict was being read on the 6th prohibiting the tear-ing up of rails and the cutting of telegraph wires, the mob did everything they were forbidden to do. The structs were strewa daily with posqueines threat-ening Callilo with death. A correspondent of the Panama Star, says that by the next mail he may have to report that the govern-ment if overthrown.
