s. RIDDLE & CO.,

EDITORS and PROPRIETORS PITISBURGH:

FRIDAY MORNING, PEB. 18, 1869. THE CORRUPTION OF THE ADMINISTRATION. The history of the present administration, when exposed to the gaze of the world, will develope a series of transactions which for audacity and corruption will seek in vain for a parallel. The offences of its predecessors, although severely condemned in their day, will dwindle into harmless peocedilioes when placed beside those which

We are indebted to the publishers for a copy

We are indebted to the publishers for a copy have been inflicted on the nation through the agency of James Buchanan. It is a significant starred administration every department of the government is corrupt—its principal agents are notoriously neglectful of their duties—and on every hand affairs are conducted with a degree of loosaness and carclessness which seem ingredible. These evils have become so alarming that committees of investigation have been rainsed on several occasions, and the result of the deliberations of those committees have been rainsed on several occasions, and the result of the deliberations of those committees have been rainsed on several occasions, and the result of the deliberations of those committees have been rainsed on several occasions, and the result of the deliberations of those committees have been rainsed on several occasions, and the result of the several occasions. It would have been etill more satisfactory to the published by the several occasions of partizen villainy and wholesale fraud, which mark its proceedings open a new chapter in our will be the several occasions. It would have been etill more satisfactory to the published by the several occasions, and the result in the several occasions. It would have been etill more satisfactory to the published has goes on the state when such starp. Who the goes of the several occasions, and the several occasions and the several occasions and the several occasions. It would have been etill more satisfactory to the published has goes or to state when such that you have been etill more satisfactory to the published has goes or the state of the several occasions. It would have been etill more satisfactory to the published has goes or to state when such that you have been etill more satisfactory to the published has goes or the satisfactory to the published has goes or the satisfactory to the published has been entired to thit community. When the same and the satisfactory to the very comfortable. He says and the starred administration every department of the

for some of his subordinates to relieve themselves of collations and complicity in many of these digraco-ful transactions.

It will be observed that these corrupt practices have not been confined to a single department, nor have they prevailed among a comparatively small class of subordinates. On the contrary, the heads of nearly all the departments are implicated, and in many instances they have been conducted under their authority, and within phicated, and in many instances they have been conducted under their authority, and within their immediates supervision. The leading abuses manifored in the extreme that the cost in the cost in the remainded in the extrest, may be distinctly traced to the Secretary of the Navy, who in one-say it is not the part of a big of the contrary of the cont

political history, and we do not wonder that the people receive the details with breathless surprised. We have heard frequently of tampering with the elective franchise in our large cities, in the course of which illegal votes were alleged to have been polled, but what mind was prepared to conceive any enormities equal to those disclosed in the following extract from a report of the proceedings of this committee? This report says:

"Such abuse, corrupt combinations and spoliations of the Treamy, have mere been traced so directly through all their ramifications before. A simple fact by way of illustrating the manner in which is manner to whe manner in which is the problem, we may fairly assume as granted that
