THE CUBAN SCHENE.—A Statesmanlike Pro-position.—Senator Mason's project in regard to Cuba affords agreeable relief from the inanities and imbecilities by which this whole question has been surrounded. He proposes to declare that whenever Spain may be willing to part with Cuba, the United States stand ready to treat for the transfer : and to notify her. meantime, that Ensurance. Continental Insurance Company. incorporated by the Legislature of Pennsylva WITE A ' PREPETUAL OHABTER. 

No. 61 Walnu Streic Jose Record, Philaddiphia. Fire Insurance on Buildings, Furniture, Merchandise, &c. Fire Insurance on Buildings, Furniture, Merchandise, &c. Marine Insurance on Gargoes and Freights, to all parts of the world. Inland Insurance on Goods, &c., by Lakes, Rivers, Canais and Land Gargaes, to all parts of the Union, on the most favoroble terms, consistent with security.

that whenever Spain may be willing to part with Cuba, the United States stand ready to treat for the transfer; and to notify her, meantime, bit for a wo cannot permit the island to pass into the hands of any other European power. This is ensible and timely. It will accomplications at the can possibly now be done towards the purchase of Cuba, and will avoid the complications at the for a possibly now be done towards the purchase of the President.
We hope Congress will adopt the resolution of Mr. Masson and thus end this idle discussion un-tit ill the time shall arrive when something provide terms, consistent with security.
We hope Congress will adopt the resolution of Mr. Masson and thus end this idle discussion un-tit ill the time shall arrive when something provide terms, consistent with security.
States that is the dream of ab irresolate, muldy-headed political intrigues, rather than they for ict of a procical statesman, and that, if it should be adopted, it could not lead a single step towards the accomplishine. of the object it pretands to seek. Mr. Mason's aubstitute will soothe the offended pride of Spain and pressiden's scheme would reader uttry impossible. We trust the good sense of Congress will lead to the prompt adoption. If this subject could be then tisported to effect an apresside to the trust de good sense of Congress will be to trust the good sense of Congress will be to the adoption. Mr. This, a subject owned to the scheme would reader uttry impossible.
