afraid of them. The Philadelphia Press says of them:

"These letters indicate that the campaign in Pennsylvania is to be fought by asking Democratio to vote for Messes. Rowe and Wright, on the ground that in reality they are opposed to the resolutions of the Administration Convention, or uncommitted to Their support. Against a canvass of this sort we protect. Inasmuch as Messrs. Rowe and Wright have accepted the position of being candidates of a Convention which deliberately descrited Democration principles, every Democration and the Convention of the Merchanian principles, every Democration of the Convention which deliberately descrited Democration principles, every Democration to bim not to deather after with stellen goods. General English have accepted the position of being candidates of a Convention which deliberately descrited Democration principles, every Democration and the state of the Merchanian principles, every Democration and the state of the Merchanian principles of the Democratic Convention which deliberately described Pleno Democration and the state of the Merchanian principles of the Democratic Convention which and the vote of intelligent Democratic party. Let no one be deceived, then, by the specious character of the letters of acceptance. While they fully prove that the candidates of the littles with the state of the state who shall read the returns of the Pennsylvania election after the 2d Treedsy of October next, that those who voted for these gentlemen adopted and endorsed the views of the Convention which nonlineated them.

"The real issue of the campaign in this State which will read the returns of the Pennsylvania election after the 2d Treedsy of October next, that those who voted for these gentlemen adopted and endorsed the views of the Convention which nonlineated them.

"The real issue of the Convention which nonlineated them."

"The real issue of the campaign in this State which is tolling to commit the Democration paying in the history of Wisconsin, has been experienced. Full the Ac
