correspondence of the N. Y. Commercial Adecretizer and that it had merely been cut out of our paper by the Post. We have expressed no opin ion in the premises, nor have we been cited as authority. The "findisputable authority" alluded to by the Post is to be found in the names of the ler med men cited in the extract from the New York paper. Nothing but an extraordinary facility for misunderstanding the purport of plain words could have led any one to apply the language of the Post as the Journal has done in the instance.

Let us add, here, that there is nothing in the extract mentioned to justify the Post in the constitutionality of the Fugitive Slave Law, one way or the other; shellering itself under the old saying—"Sofficient unto the day is the evil saying—"Cleve. Leader.

The Court gives no opinion in respect to the constitutionality of the Fugitive Slave Law, one way or the other; shellering itself under the old saying—"Sofficient unto the day is the evil saying—"Soffici

this instance.

Let us add, here, that there is nothing in the extract mentioned to justify the Post in the conclusion it draws that this doxology is an interpolation of Protestants, and that it shows the polation of Protestants.

clainon it draws that this doxology is an interpolation of Protestants, and that it shows the corruptness of the text and unreliability of twarfoon in use by Protestants. It proves now thing, If the doxology be an interpolation at all, which we do not affirm, the interpolation at all, which we do not affirm, the interpolation at all, which we do not affirm, the interpolation was made by Catholic copylists of the original, for which they alone are responsible.

Mil. BOTTO ON SLATER.—Mr. J. M. Botts configuration of the same and the same of his interpolation in the work of the same of the

"There also some eight or ten fine improved farms in Indiana, and one of 670 acres near Galena, in Illinois, that I wish to sell. I believe no man has a right to own more land than is necessary for his use and that of his family. God has no doubt wisely ordained that land the accordance to him by the Queen, of roys and the accordance to him by the Queen, of roys

holder, and all the property my children have in the world is slave property, inherited from their mother; and he who undertakes to connect my name, or my opinion, with Abolittonism, is either a knaw or a fool and not unfrequently both. And this is the only answer I have to make to them. I have not connected myself with any sectional party or sectional question, and so help me God I never will."

A Strange Advertisement of Bolomon Sturges, one of the wealthy men of Ohio, in which he sets forth his reasons for offering for sale his yast landed property. He advertises the subject thus:

EXPREENCE WITH A SUBSCRIPTION PAPER —

There is no walk in life, says all experienced writer, of which we have any practical known in large, on the study of human nature, as the walk about town with a subscription paper. A day's devotion to this business will fix forever in the mind the aphorism—"there is as much difference in folks as there is in anybody." A subscription paper is an almost infallible touchstone to the most of the wealthy men of Ohio, in which he sets forth his reasons for offering for sale his yast landed property. He advertises the subject thus:

EXPREENCE WITH A SUBSCRIPTION PAPER —

There is no walk in life, says all experienced writer, of which we have any practical known in large, as the walk about to the subscription paper. A day's devotion to this business will fix forever in the mind the aphorism—"there is as much difference in folks as there is in anybody." A subscription paper is an almost infallible touchstone to the body of the wealthy men of Ohio, in which he sets forth his reasons for offering for sale his yast landed property. He advertises which were bound with iron instead of rope, which were b

the subject thas:

"I will therefore sell at low prices, and on easy terms of payment, 'any of my real estate; and I have a great deal more than I want, ought to have, or desire."

After enumerating a number of tracts which he wishes to sell, he goes on in this wise:

"I have also some eight or ten is improved farms in Indiana, and one of 570 areas of 57
