TREAT MONTH CALLS

FINAL AREA OF A SALE

FIN PHILADELPHIA, May 5 .- The New York Herald's A PUBLIC PARK.—We learn that Mr. Augustus OUR BOOK TABLE, PHILDELIPHIA, May 5.—The New Lorz Includes special correspondent says:—Colonel Johnson, of the Army, who went to Mexico as a special bearer of dispatches, has arrived here with dispatches from Minister Minan. They confirm the news already received. Mr. Minane writes encouragingly, and expresses undoubted confidence in the ultimate success of the Juaner Government, notwithstanding the efforts of the British and French Ministers to throw obstacles in the way. Our government does not believe that the British Minister is acting under the advice of England in the course he has seen fit to pursue, and they have the best assurance that Kng-JAMES M'CANDLESS & CO., NO. 103 WOOD STREET, PITTSBUKGE. IMPORTERS AND JOBBERS OF FOREIGN AND DOMESTIC DRY GOODS, Would respectfully call the attention of THEIR CUSTOMERS AND MERCHANTS GENERALLY, advice of England in the course he has seen fit to pursue, and they have the best assurance that England, when she learns, which she already has before this, that the United States has recognized the Junez Government, will advise her Minister to do the same thing. In the meantime, our Government will take immediate steps to strengthen the hands of our Minister, and rebuke the unwarrantable interference of the Beglish and French Ministers, and also dispatch a number of versels to the Gulf to protect, as far as possible, the liters and property of American citizens. Judge Cradlebaugh, United States Judge in Utah, whose injudicious course brought him in conflict with Governor Cumming, has been removed. The vacancy will not be filled for some time.

Judge Greenwood, of Arkansas, who was tendered the Commissionership of Indian Affairs, has accepted. He is expected at Washington in a few days. Washington City, May 5.—Official advice ...rom
Vera Cruz, received here, mention, as a runu... that
the principal cause of Degallado's retreat was the
destruction of ammunition by the explosion of a
shell at Tacabaya. The only cities in the possession
of Miramon were Cordova, Puebla, Oriraba and the
City of Mexico. Three thousand troops under Gen.
Ampudia were marching towards the last named
city. Gen. Gartin was moving in the same direction,
by way of Ilusateca, with 1500 men. Those would
be joined by 4000 men from San Luis Potosi, together with Delgolado's forces and others from the
South. The reactionary army in the City of Mexicodes not number more than 0000 men. The Juares Government speaks in confident terms of the
ability to conquer the capitol. BOOTS AND SHOES.
