Borrs of Slavery.—There is so much heroism displayed in the position of John M. Botts
in regard to the institution of elavery, that even
his opponents must in time bestow upon him
their admiration. Reared on a soil definite to
slavery, associated with most its exexample is a noble one, and
must, in the progress of civilization and christianity, have a marked effect on the future histianity, have a marked effect on the future hisism displayed in the position of John M. Botts
because in the progress of civilization and chrismeeting of the evening. Capt. Grey thought
the country. His example is a noble one, and
must, in the progress of civilization and christianity, have a marked effect on the future histianity, have a marked effect on the future histianity, have a marked effect on the future his-

According to this decision an individual from According to this decision an individual from Its giving him a chance between that and death an infected vessel, might go into any part of the city without injury to the citizens, and yet his baggage would be regarded as sufficiently do gerous, to cause its detention in quarantit. About 11 P. M., he was standing on the dook in their comments on the proceedings of the Convention, and denounce many of its members as quocks, who seized upon the occasion as a convention, but poor men are without houses as quocks, who seized upon the occasion as a point of the correspondent in their comments of the proceedings of the proceeding of the correspondent in their comments on the proceedings of the proceeding of the correspondent in their comments on the proceedings of the proceeding of the correspondent in the correspondent and correct the law accounts to the correspondent and correct the law and the correspondent and correct the law accounts to the correspondent and correct the law accounts to the correspondent and correct the law accounts to the correct the law accounts the vicinity of the steamboal landing, and, being the correct the law accounts the correct the law accoun

tianity, have a marked effect on the future history of his native State, if not on that of the entire South. He towers like a giant above those demagogues who, with a crowd at their heels, now delight in traducing him and falsifying his position. Botts is no coward, however, and their efforts only have the effect to estrengthen him in the noble attitude which he has assumed. We do not approve of all his sentiments in regard to the institution, but when LYNCH LAW .- Oscar F. Jackson, who murd-
