医克里氏检查检验检查检查 A correspondent of the Baltimore American, under date of Marsellles, April 18, write as folities to concerning the health of Bishop Potter: "I regret to state that he regards his health as little improved by his residence in Europe and the sid of the best medical and surgical skill of Paris. He suffers with an affection of the spine that operates on the brisio, and has so reduced his physical condition that we scarcely recognized him at first.
