Assembly.

The great exciting debate will probably be on the Northwest Seminary. Shall it be established, and, if so, where? The two contesting points are Chicago and lodianapolis. Chicago proposes to endow the Seminary to the amount of \$100,000, and 45 areas of land estimated at \$25,000, with the conditions, as I understand, that Dr. Rice, be the Professor of Theology. Indianapolis has not made a formal offer, but will probably do so to-day or to-morrow. Dr. Mec. Master, who was the-souler Professor of the old Seminary at New Albany, of which this is designed to take the place, is supported by the Anti-Slavery sentiment of the body, while Dr. Rice stands as the exponent of the more conservaire sentiment which, my friend Eaton would be inclined to pronounce "Pro-Slaverytam". I shall endeavor to keep your thoroughly posted in this debate.

Another important topic will be the Marriage to a Deceased Wife's Stetur question. The Synod of Philadelphia petitions, the Assembly to strike from the Conformion of Faith, the words—"a man may the continued by the plant of the dot the description of the continued by the product the firm will continue a marriage to a continue of the continued by the principle of the more payment. They were, however, continued to the 6th of July next, to give them time to procure witnesses and prepare their defence.

Attorney Belden moved to have the kidnappers tried separately, but the motion was overlaided to the Court. It is probable the defendant will be admitted to bail in \$1,000 or \$1,500 each.—Cleve Leader. OIL CLOTH TABLE COVERS—100 doz.
