American office. She will then get the protection afforded by the U. S. government, remaining, with regard to tonuage does and all elimitar conditions under the liabilities common to any foreign reseat. Should Eagland become involved in war, it is probable that increased latitude might be given by special acts to facilitate the granting even of a national registry.

Among the victims destined to the recent sarrifice at Tacubaya, Mexico, was one Col. Arrodillado, so so to be heard not only by the by-standers, but by others at adistance. "Hold hold there, a mment; I have a message, a revel about directing their pieces at him, when he cried alond, so as to be heard not only by the by-standers, but by others at adistance. "Hold hold there, a mment; I have a message, a revel along for the General-in-Chief." The tone of volce in which this announcement was made so carnest and so sincere that it made instant impression upon that officer in command, who at once suppended the execution. No sooner, however, were the guas lives with the scale part of the convey of the convey

of the crowd, cleared a slight enclosure, hook. Ing down two coldiers in his way, plunged into a deep ravine, and notwithstanding several hasty random shots from the party he so uncertenny in the state of the committee.
