lar condition.

In Washington county, we understand, the grain has not suffered severely, but the fruit has been partially injured.

The question of endorsing the Colonization Society came up, and after discussion, the Overture was laid on the table.

Dr. Thornwell then moved that the Assembly be

border of the State-have all within a few days added their names to the large number of jourborder of the State—have all within a few days
added their names to the large number of journals that have expressed their preferences of
Gen. Cameron for the Presidency in 1860. They
all unite in declaring that with him for the popfrom the Committee to examine and report upon

all unite in declaring that with him for the popular standard-bearer, victory in certain, without demanding from us any damaging alliances with the "minorities" in the Southern States. The Pottsvillo Journal thus expresses its preference:

"That Gen. Cameron, a warm lover of Freedom and true friend of Protection, could sweep Pennsylvanis, we believe confidently. Standing, therefore, in so prominent a position before the course, fore, in so prominent a position before the course, the product of the product of the words contained a population of 536,027 anilities, averaging a little less than five soule in each family. For the pacom of course, early to agitate this matter, and almost hazardons to predict who in the course of the course of the words there were 36,088 dwellings, averaging a bout three and one half families ocupying an entire house. There are but 12,717 of

triot, we would not wish to march to victory in families are apportioned to these dwollings:

"The York Republican, in an able article on this
Gon'g 1 family....12,717 Con'g 25 families... subject, exclaims: "Let us have Gen. Cameron, as our leader and standard-bearer, and the very act of making him such, we are confident, will be decisive of the result, and foreshadow a triumphant and overwhelming victory for those who shall rally to his support." The Gettysburg Star, in its article, speaks of

Senator Cameron in the following complimentary terms: "We know of no man who could more effectually concentrate the Republican, American and Whig vote, and believe that his selection as our candidate would at once foreshadow a brilliant and overwhelming popular triumph. While these are our views, we stand prepared to support any good man that may be named, who shall combine the requisite qualifications. With proper prudence and a conservative policy, such as is indicated by the Tribune, the right man will

proprie produces and a conservative policy, such as is indicated by the Tylinder Care and a conservative population of the State, no one can don't that he is the choice of Francy Irration in his favor, from all elections of the State, no one can don't that he is the choice of Francy Irration is 1800 for the Presidency.

The NATIONAL INTELLIGENCES points to the result of the Virginia election as an uncertifing indication that the old Whig party still has an actual and house fide existence, and it grows jubilizate after this manner:

"Bettering upon the recent canvans with all the presidence of the third that the presidence of the whole of the whole

hopeful.

We have in our office specimens of cherries, quinces, apples, and penches, which were grown in Chartiers township, on the farm of Mr. John Hudson—all of which have been frost-injured. We have also received some cherries and apples from Mr. Mundoun, of Pitt township, in a similar condition.

In Washington county, we understand, the

The Parsidency.—The Pottsville Journal: the Mauch Chunk Gazette, published in the great coal region of the Schuylkill Valley; the Dan ville Democrat, issued in the iron section of the Sasqueshanns; the Gettysburg (Adams county) Star, and the York Republican, on the southern Star, and the York Republican, on the southern was delayed by accident. We give it in order to complete the record.

nazardous to predict who in the course of the coming twelve months will be the strongest man for the Republican nomination; but it is eafe to believe that no man could concentrate a heavier rote, from Maine to Minnesota, than Gen. Gamerour Jefnitide as he is with the interests of Pennsylvania, he would be her favorite candidate, and on a platform of principles, not a whit less strong than those of 1856, each Northern State would cast its electoral vots for him. We are would not its electoral vots for him. We are therefore, pleased to observe his name so generally urged, for under a botter man, or purer part of the production of the strange of the strong than those of 1856, each Northern State would each the course of the strong than those of 1856, and horthern State than the strong than those of 1856, and horthern State would not wish to march to victory in

one is an organization founded on expediture.

The policy of the old Wiley party was peared.

The policy of the old Wiley party was great ally in favor of restricting the march of alterty, size and proposing Democracy was devoted to lie perpendicular to the proping Democracy was devoted to lie perpendicular to the proping Democracy was devoted to lie perpendicular to the perpendicular
