AUDITOR GENERAL, THOMAS B. COCHBAN, of York county. SURVEYOR GENERAL, WILLIAM H. KEIM, of Berks county Republican County Ticket.

ELIAS II. IHISH, Pitteburgh. ABEXIDIT, WILLIAN YABNUH, Pittaburgh, DAVID A. PILESSLEY, Altegheny, CHARLES L. GOMHRING, Reserve, DAVID E. BAYABD, Peobles, WILLIAM FSPY, Lower St. Cheir.

ABSISTANT LAW JUDGE, THOMAS MELLON, Collins DISTRICT ATTORNEY, JACOB H. MILLER, Pittaburgh GOODMAN X. COULTER, South Fayelte

COMMISSIONER, JONATHAN BRAUFF, South Pitteburgh. DAVID COBNELIUS, Sewickley M. T. ANDERSON, East Dear

JOSEPH MILLER, Snowden.

MR. RUSSELL EARLET, of the Gazette, in a card in our advertising columns, contrallets the assertion i that he descried Mr. White, as a candidate for State Senato, but alleges that he "acted with the utmost good faith toward him throughout." This is non-dalegates who were pledged to Mr. Foster to vote for Mr. Irish, but urged Mr. Irish for the nomination whenever he had an opportunity. Was this "acting L in good faith" toward Mr. White? Through the Jurreitons of Mr. Erreit and his colaborer delegates, either instructed or pledged for Mr. F., in sufficient number to have achieved his nomination on first bai-a. The fact is Mr. White? Mr. Error and adjugate who warged his contaction for the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in good data? Low Advantage of the proposition to dispose of the colored popting in the distance of the proposition to dispose of the colored popting in the distance of the proposition to dispose of the colored popting in the distance of the proposition to dispose of the colored popting in the distance of the proposition to dispose of the colored popting in the distance of the proposition to dispose of the colored popting in the distance of the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the colored popting in the different is the proposition to dispose of the constance of the proposition to dispose of t of the proposition to dispose of the colored pop-

against that gentleman through any agency or tion, as we find that the Convention disavowed sentation of Mr. Errett. With regard to any interference with the existing laws in regard the alleged caucus on Tuesday evening, Mr. to the free colored population of the Siste. We Errett takes this occasion to say that he knows find the august assemblage finally adjourning, of no such caucus and does not believe any such without fixing on any decided plan of action. was held. It is certain that be altended no such csucus, and had no knowledge of it, as be has King of France who distinguished bimeelf. none now. He never heard of such a thing until now, and so far from sanctioning the action "By marchiag up a bill-and then down again " The writer of this article acknowledges a warm

of any cancus, he has at all times and in all feeling for "Old Maryland," and looks with pleaa discouraged the holding of them be sure to the day when it shall be enrolled among fore nominating conventions. He challenges the the Free States of the Union. Free Labor has production of any proof that he even knew of made it the prosperous Commonwealth it is, in y such caucus, either then or since. He was not favorable to the nomination of Mr. spite of the blighting influence of the "institu-tion" which still receives the protection of its any such caucus, either then or since. Mellon, and, although entirely satisfied with that laws, and is to a certain extent supported by its nomination and determined to support it faith- public sentiment.

fully to the end, he would sooner have lost his Kossurn's Speech in London, which comes to right hand than entered into any caucus, combinstion or arrangement that looked to his nom-us in the latest English papers, is one of the instion, or that contemplated the sacrifice of beet of that great orator. His views on the friends so long known and so much esteemed as Italian Question are worthy of careful study. He urges England not only to be neutral, now Messrs. White and Kirkpatrick.

That Mr. EREET did labor to defeat Mr. Fos-ter, is true. It was his right to do so, if he chose, and he had good and sufficient reasons 1815 for the defence of which England is now for it. But in laboring to accomplish that end, or can be called to shed one drop of her bload or he did nothing either dishonorable or unmanly. spend so much as a penny.

Whatever he did, he did openly and fairly. He asked no man to violate his pledges, his instrucasked no man to violate his pledges, his instruc-tions or his convictions; and he is determined, sltbough he dislikes all such controversies as permitted, by falsehoods and wholesale [shrice-permitted, by falsehoods and wholesale [shrice-there, that he defact conditions in the weak tank are as force at the shrice in the substant statement in the set tank are as force at the statement in the set tank are as force at the statement in the set tank are as force at the set the set tank are as force at tank are as f

MARTARD STATURDED STATE AND A STATURES. Marting of Baltimore has week, was competed by the force of public opinion to modify, the course of action which had been haid down pre-vious to its meeting. In that State, the slave holders form only about one-tenth of the popu-nationalities in service which may be in the mart to repeat the indicating of models about the service which interference would estimate the and Allegbeny county, sent no delegates. The Particl, denouncing the movement in strong terms, remarks as follows: "It is necessary that the Preas of the city and the State should speak out. If a number of back and the State should speak out. If a number of back and the base seek, they will be sure to about an or enclated that whole class from to all things. The fail do researes the interfere and the basis of the service which, and by the sure to addite strong how in or the cause of at the base should speak out. If a number of back and he base scenes the interfere and the basis at the side of Prance, and so compared the there mergees along are the cause of at the base should speak out. If a number of back and he compared his original reception and any the sure to adopt altras means to drive that whole class from to all things. The fail do house keepers in citize and tores constitute probably ning or test and the state state is and the state state and the s

The CREVASSE IN THE LOWER MISSISTICE. —The loss to cotton crops by the late crerasses in the Mississippi River has been estimated on 'Change at New Orleans at 600,000 bales. The Cracent of that city, however, ridicules this idea and thinks the loss will not exceed 75,000. One plants at Convertion working the provided the states and thinks the loss will not exceed 75,000.
