osing shall arrive. Whatever there is wrong about it—whatever is wasteful or extravagant—about it—whatever is wasteful or extravagant—out the State is almost entirely cut off. From such that a very large portion of the wheat through must be attributed to the Democratic party, as the Opposition had nothing whatever to do with it. At the time of the consumstation of his wheat crop,—Cleve, ridiculous bargain the Republican members of congress and the newspapers of the party strenously objected to it as unnecessary and expensive, but they were as usual, in such cases, not they were as usual, in such cases, not heeded. Butterfield & Co., were good party mentiled to them by the board to suffer much, but those who pretend its party from the responsibility which this transactions attached to them by the bitter reflections in which it now indulges, when it is too late to record to any remedial measures. The

the Opposition had exclude a phateurs of a wind it. At the fine of the commandation of this children begain the signaline imployed the control of the contro

We notice that several of the eastern papers copy a blunder which crept into the first printed itsue of the Harrisburg platform, intely adopted. The third resolution, as first incorrectly printed, reads—"That we denounce, and will unitedly oppose, all attempts to enact a Congressional code for the Territories;" while it should read "That we denounce, and will unitedly oppose, all attempts to enact a Congressional code for the Territories;" while it should read "That we denounce, and will unitedly oppose, all attempts to enact a Congressional code for the Territories;" while it should read in the metales of the Martin yoke in their native country, and other eminent Hungarian officers who are wait in the first printed of the Austrian yoke in their native country, and the provent, if possible, a false quotation of the resolution hereafter.

The Harrisburg Union, the State locofood of the Territories is congressed its coheurrenea in all the metales of the France, and was inclined to present approach to the France, and was inclined to present approach to the France, and was inclined to present approach the France approach to the France approach to the Bull of the France approach the first printed the Bull of the Kalley and other eminent Hungarian officers who are wait in the first intensity of the France approach to the Bull of the Kalley and other eminent Hungarian officers who are wait in the first intensity of the France approach to the France approach to the France approach the Emperor Alexander had represented to the France approach to the France approach to the
