A BLOSSONING NUMBERUE.—The avaries of an adventurous. Tankee who some years since imported into this country a huge weed from the land of spices, serpents, and poisons, where there is a good deal besides man that is vile, Bishop Heber to the contrary notwithstanding, has entailed upon this City a anteance of the greatest magnitude. This unitance, which every one will name without a second thought, is the pretty Allanthus, which is now in full blossom, exuding its nameous odor, and making the OAKLAND PROPERTY FOR SALE.

THAT PORTION OF OAKLAND know

the of the city, he been subdivided late us of content
tent size, ranging in from one to ten acree the city, but been subdivided late us of content

Anderson Terms—CASH on Delivery Of reliable brands, at lowest market rates, and everything appertaining to the Brug Business. We guarantee to soll as low as can be bought in this or other markets, and warrant sarawthing to give a satisfaction. au30:1yd of the Allanthus. As this worthless tree grows of the Allanbus. As this worthless tree grows rapidly, it has given us a mushroom forest in our streets, evenues and public squares of this vegetable nuisance, to the exclusion of our sweet and beautiful native trees, many of which are superior to it as shade trees, and for ornamental purposes. No insect can live on the Allanhus, nor can any animal feed on its foliage. It is as deadly in its effects as the upst, and even where it does not absolutely destroy life, it impairs health and enervates the system. We publish a note from a well known chemist of this Oity in relation to this subject, from which our clitices will learn, it they have not already made the discovery by terrible experience, that they NEW STOCK! MATTHEW LAWTON, lings, and undermines the health of their fami-lies. There are thousands of our people who are driven from their residences into the country The connecting of tracts by the Rail Road Bridge at Pittsburgh, avoiding all drayage or fortiage of Freight, together with the saving of time, are advantage readily appreciated by Ehippers of Freight and the Travelling Public PARTIES SHIPPING LASINGAED will find to the PARTIES SHIPPING LASINGAED will find to the Control of the Control DAPER HANGINGS. PRACTICAL MARBLE MASON are driven from their residences into the country to escape the enervating odor of the ailanthus. The worst features of the tree belong to the female ailanthus, and in an excess of gallantry it his unfortunate sex has been everywhere preferred. The entalpa is as free from worms as the ailanthus; it is infinitely more beautiful, and grows almost as rapidly. The ailanthus puts out its leaves very late, and sheds them very early, and a very slight wind broaks off its brittle branches and strips it of its foliage, which renders it a most unsuitable tree for city planting. The ailanthus rules now must have now W ISHES RESPECTFULLY TO IN form his friends and the public generally, that as leasted the above premises, for the mannfacture and sale of erray variety of Marble Work, such as Monuments, Tombs Tablets and Gravestones, Our Stock of SPRING WALL PAPER PILLS AND VERMIFTGE advantage to ship by this Boute.
