Autor of the result in the result of the second s

the Carliale Bank, and an increase of capital to \$250,000. The Columbia Bank intends to ash for a renewal of like charter, with the samo mount of capital. There will also be an appli-cation for a charter for the Lackawana Savings Bank, at Scranton. Soren of the new banks, it will be seen, are an advocate, sa an orstor, his fame is Na-tional. Whatever difference of sentiment might splied for from Philadelphis, and the amount of their proposed capital is nearly two-thirds of the carlies amount. Philadelphis has already a large number of Banks, several of which were chartered only two years since; but the supply of these corporations seems unequal to the d-mand, and hence the cry for more. These applications displaymentakibe characo teristic of Philadelphis, a longing desire for some way of investing surplus capital which will be productive without requiring further caro or labor from the. owner. Your Philadel phis capitalist dialikes all new schemes which remores labor. whill, watchfulness or an enterwill. De productive willouit requiring intriner care or labor from the owner. Your Philadel, phis capitalist dialkes all new schemes which require labor, akill, watchfulness or an enter-prising spirit. There is sounds capital in that city to make fit the encoessful rival of New York challs to all the encoessful rival of New York and elsewhere, that is he encoessful rival of New York chall up lines of siesen packets to Europe and elsewhere, that is new manufactories, and develops in bindreds of different ways to basi-ness capacities of the sity. But all sale enter-prises involve fits as well as labor; and isnes the true Philadelphian prefersion rest into a quiet and ingurators the discowness. Will we an index in the same of far as fit. Choste was a weile as a notification the true Philadelphian prefersion rest into a quiet and ingurators and enjoy bis oftim of the state and state and logiorious cars and enjoy bis oftim the scatter and ungenetics, then he pre-fers to start new ous; and if he be a litte am-bition; in east an avenues to be president or Cash-good investment. Wa venture to say that such as a construction of all these applica-tions as a construction for the construction of all these applica-tions and english is training was evidenced in all divertion. The these of poils is the intory is a the stip is the other the true Philadelphian prefersion of the a litter and biton; is may aspire to bo President or Cash-good investment. Wa venture to say that such store as a construction of all these applica-tions. We aventure to say that such store as a construction of all these applica-tions. The bit of the true of a store of a store of the constitutions and bits the true of the advector of the store of distarts of the store of the advector fit at a of the store of the st
