ment to the great tragedy which has monopo-lised the attendon for the last two months of the whois civilized world. When the French Em-peror promised his subjects that the reamplayn abould not last six months, the impression pro-walled that he was too sanguine, and we were accordingly treated to volumes of disquisitions on the, proverbial obtinacy of the Austrian soldiers on the field of battle. It seems, how-were, that he field of the subjects of discussion in the contrast in contrast. Soldiers on the field of battle. It seems, how-were, that he field of the subjects of discussion of a singular exhibition of ignorance or accordingly treated to volumes of disquisitions soldiers on the field of battle. It seems, how-were, that he field of battle. It seems, how-were, that he field of the subself a wide margin to come and go on. In spile of the suggistly of specula-ting correspondents and editors, this war has closed contrary to every theory that has been diracted. The haters of France who pro-chied work, and it is alleged for a roward con-the temporal power of the Pope, have all the Third, who induged in dreams of an Italian Bepublic, with an abrogation or curtailment of the temporal power of the Pope, have all be been to the authorities. So interner's friends much for brigandas their fears painted him, while work, and it is alleged for a roward con-the ating colored men to distry. A short time since he for the reoliged to get him into a place of as roward con-the cologistic, this the battle been with three others, preichaling to get the mothorities. So interner's friends much for brigandas their fears painted him, while to scape their violence. No outbreak, howers' disspondied in their hopes and fears. To the one side the man of desting has noted the super and to at the scape. The one side the man of desting has not who has appeared as much for briganes and their f
