ministers on the dangerous situation they occu-pied, on the distractions of the country, of the necessity of order, and the demand for peace. To bring about these results, said he, we have

The STATEMENT ACCOUNTS TO A 1000 A 10

"Turning to cursericultural resources we find that the harvest is rapidly progressing in our grain growing districts. The crops of wheat and barley are immense, and if you at the East should not have breadstuffs enough to feed Engopean ramies during the pending war, we shall probably be able to help make up the deficiency. Certainly we need no Eastern flour for our own consumption; and no one will think of using Haxall or Genessee wheat after trying our best California brands."

LATER TROW MEXICO.—The most important item of news is the change in Miramon's Cabinet and polloy, for you must know that on the 15th, he turned a complete somersmalt, much to the astonishment and diggust of his Cabinet, all but one of whom immediately left him. It occurred as follows: In a called meeting he lectured his ministers on the dangerous situation they occuried as the districtions of the country of the

cessive risings in the smaller Italian States. It was by means of his influence that the revolutions at Florence, Parms and Modens were bloodless, and that Rome remained tranquil. Cavour believed in a constitutional Italian unity, and and the other heads of the revolution, to come to an understanding, and that some decree should be published regulating the goods of intestates. He said that it was advirable to grant the Liberales all they asked, and in fact, more—he even desired to out-Herod Herod.

As I said, all but one of the Cabinet threw up heir positions, and he proceeded at once to form new one, based upon the above principles.

Beautiful and in fact, more—he even desired to out-Herod Herod.

As I said, all but one of the Cabinet threw up heir positions, and he proceeded at once to form new one, based upon the above principles.

Beautiful in a constitutional Italian unity, and unfortunately he believed that the Emperor Napoleon entertained the same views as himself. Warnings were throw away upon him. Patriots and young ladies have a faith in men's promises who have a faith in men's promises and young ladies have a faith in men's promises and young ladie

The Emperor of the French has confided by the clebrated pamplet Nondison III to this army the reasons which induced him to grant Austria the just accomplished peace. It is a document which requires frequent reperusal, and which invites uncessing conjecture. The principal aim of the war was, it seems, to render the honorary presidency of the Pope earlies out the idea ean unclaid for the first into in the celebrated pamplet Nondison III to the clebrated pamplet Nondison III to the celebrated pamplet Nondison III to the condition I observe, with what sentiments of the principal aim of the war was, it seems, to render the honorary presidency of the Pope earlies out the idea annuclaid for the first into in the celebrated pamplet Nondison III to the celeb PITTSBURGH FEMALE COLLEGE trinical by nine experienced teachers.
