LATEST FROM EUROPE

The advices from Obsess, report great activity, and improved prices in the grain trade.

The Times Gity article of Tuesday evening says the English funds experienced fluctuations to day, to the extent of \(\) per cent, but were chiefly consequent upon the momentary supply or scarcity of stocks, and not apon the forsign news, or new features in the money markst. There was remewed activity in demand for discount to-day, and the general rates was fully equal to the banks minimum.

The Times and several other journals, this morning publish an article on Italian affairs, under the title of the European coup detat from the pen of Constantine at the Ryds.

The government had decided on disbanding the medical corps, which was raised during the Crimes was, and consultating an entirely new branch of service to be called the Ariny Hospital Gorps of France.

The Emperor Rapideon want on the 7th to Chalons to remain there served days.

The Emperor had decided for free trade, but it lacks confirmation.

The Moniteur publishees long official report, by Yice Admiral Company for the carrier of the bench of the condon fits r gives a report that the Emperor had declared for free trade, but it lacks confirmation.

The Moniteur publishees long official report, by Yice Admiral Company for the confirmation for the confirmation of the confirmation.

The Moniteur publishees long official report, by Yice Admiral Company for the confirmation of the confirmation of the confirmation.

The Moniteur publishees are grarting the operations in the Adriatic. He shows that the sheet, constitute of forty-drevened of St. Marth, and were prepared to open fire, when the processing the processing of the processing of the publisher of the confirmation of the processing confirmation.

The Moniterr publishes a long official report, by Vice Admiral Romain Des Fasses, regarding the operations in the Adrialia. He shows that the first, consisting of forty-free results, of all clauses, anchord before Verleic, in sight of the domes of St. Marti, and were prepared to open first, when reases was nectalized.

domes of Ht. Mark, and were prepared to open fire, when pear was proclaimed.

The Monitour also publishes a document clearing General Cannoters from any reflection, which General Nail's report of the battle of Eofarico had cast upon him.

The advices from the center manufacturing districts are

Goods were in more active demand, and prices had an actaning tendency.

The Paris flour market had been dull, but closed firmer.

The Paris flour market had been dull, but closed firmer.

The paromated the approaching vintage were quite condicting branches were higher.

The number of treeps from Italy to march through Paris on the lith, is 70 090. The procession will last seven hours.

The Times Paris correspondent says that the report was still current that measures would shortly be officially announced confirmatory of the hope entertained of the maintenance of peace, and calculated, at the same time, to give a great imputs to commercial affairs. One of them, it is said, will be the raduction of the present encestive duties on articles of necessity. The completion of the Railroads are to be accelerated, and industrial works in general are to be encouraged.
