The Aurora Borealis.

The Configuration of Con S. LAND FOR SALE.—There will be offered at Public Sale on the 26th of September, as offered at Public Sale on the 26th of September, ment Land, mostly situated along the Reat and West Forks of the Des Moines River, and are among the best lacid the Bilate. To persons withing to enter lands, either with cash by Lead Warrant, we often our strives, televising the subject of the description of the same, that sufficient on the original countries of the control warrant, we often our strives, televising the subject of the same, that sufficient on the original countries of the same of the same of Pitthurph, in Select and Countries are under the subject of the same, that sufficient on the original countries of the same of Pitthurph, and the subject of the same, that sufficient on the control of the same, that sufficient on the control of the same part of the same subject of the same subject to the clinical subject of the same last any time on or before the Section of the year lacky and to provide additional and succeed a

the moment of looking at—nothing can be grotser and more absurd than the mistakes which
are here brought out in strong relief. In French,
Itsliau, German, Latin, Geography, Geology,
Fortification, Painting and Architecture, the pitliess critic heaps example upon example, until
conservedly thinks that the whole statement is an
origanized literary fraud or an elaborate joke.

The Aurora.—The New York and Philadylphila papers all speak of the Aurora Borcalis
fading out and disappearing at ten o'clock at
night. It is evident that the sight-seers there
mitted the beautiful exhibition which look place
at two in the morning following. The appearance of the heavens was then much more beautiful than during the evening. Where there was
a clear, open view the mind could nearcely concoive so gorgeous a spectacle. The light was
so great that it was almost equal to moonlight.

Wiscorsis.—This State has been considered

A Warring on Strand on Turin
Heads.—The Portago (O.) Sentind says: We
regate to record that our townsman, Dr. W. M.
Prentice, has sustained a severe effliction in the
death of his little son, Frank. While visiting
to work from two visition in the
cast he whole statement is an
organized literary fraud or an elaborate joke.

The Aurora.—The New York and Philadylphila papers all speak of the Aurora Borcalis
fading out and disappearing at ten o'clock at
night. It is evident that the sight-seers there
where the continued
to proceed from too violent muscular ox
tertion, he being accounts med, it is many other
being account of the heavens was then much more beautiful than during the evening. The substitute of the work of the death of the sittle of the substitute of iffold than during the syming. CHICKERING & SONS' NEW SCALE PIANO FORTES.

ENLARGED NEW SCALE, By which a much larger sound board is obtained, consequently the tone is rendered vary powerful, yet retaining its sweet and musical quality. By the perfection of the Action, the perfection is enabled to produce all grades of tone from piratization to fortitizan, with the greatest seen. CHICKERING & SONE PIANOS are thus spoken of by

the best artists and critics to our country:

THALBERG say:—They are beyond comparison the best
I have ever seen in the United States, and will compare favorably with any I have ever known.

GUSTAVE RATTER easy:—Theophion which I expressdutere years ago, has been more than condition to me, by
the continued use of them, vir. That for rodgen and pure
quality of tone, with nicety of articulation, they are une
quality. [From the National Intelligencer, Washington]

From the New Orleans Picayune.]

"For sacellence of material, elegance of ficish, and faith-ulments of workmaship, and above all for volume and va-fety, mellow sweatness, brilliancy and permanence of tone, her are upequalted." they are bequalted.

"The secular musical qualities belonging to the Chickering instruments, are a toll, musical, itch and powarral tone, free from any wooden, noisy, loudness of sound, so diagreeable to the seculities unstead ear. Tay have also an easy, even and pleasant touch, and will keep to true better than any Planos known."

The public are invited to call and examine those splendid instruments, which are sold at

out an equal. It prevents the Hair from falling off. romotes its healthy and rigarous growth. It is not greasy or sticky. It leaves no disagreeable odor. It softens the hair when hard and dry. It soothes the irritated scalp skin. It affords the richest lastre. l remains longest in effect.

It costs fifty cents for a half pint bottle. BURNETT'S COCAINE. BURNETT'S COCAINE. BURNETT'S COCAINE.

TESTIMONIAL AT-MESES, J. BURNETT & Co.-I cann tary effect in my own aggrevated case, of your ex collent Hair Oil-(Cocaine.)
For many months my hair had been falling off, until I was came gradually more and more inflamed, so that a couse our touch it without pain. This irritated condition I stiributed to the use of various advertised bair washes; which I have since teen told contain complease spirit. By the actrice of my physician, to whom you had shown By the advice of my payerican, to whom you and saven your process of purifying the Oil, I commenced its use the jest week in June. The first application alloyed the itching and irritation; in three or four days the reduces and tender, need disappeared—the bair ceased to fail, and I have now a thick growth of new hair. I trust that others; similarly afflicted, will be induced to try the same ramedy. Yours, very truly,

BURNETI'S COCAINE. BURNETT'S COCAINE. BURNETT'S COCAINE.

As a single spilication renders the hair, (so matter how stiff and day), let hand glossy for several days. It is confeed by all who have used it, to be the best and chapest Hair Dressing in the World.
