A BLOODLESS VICTORY!!!

MAGNETIC PLASTER This enormous quantity of this Invaluable Remedy has been purchased by cilizens of the United States during the short time it has been before the public. The reason for this extraordinary success is dimply in the actual truth and values of the article. No one buys the MAGNET IO PLASTER without becoming its friend. It performs all that is promised, and carries with it its own goodmend-tion. Truly this is a victory—peaceful and bloodless—but we believe not long forlows than the trimpuls of war, with believe not less glorious than the triumphs of war, wit

is carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest rengthener and Pain Destroyer that Science has yet dis-vered. If you put this Plaster anywhere, if pain is there he Plaster will stick there until the rain has vanished.

The oil we are constantly turning out is universally con-ceded to be measurpassed in quality and cheapness, by any other in market. There is pobling more beautiful is color, or more brilliant and durable in hurning. It does not ex-plode, and being uniform, purchasers will "always obtain the same excellent article. Coal Oil is well known under a great variety of functiful mass, but dealers should not send to the east "nor the moss of the thing," and pay 20 or 20 per cent more for an article than it can be procured for at hood quarters in this city.
