PITTEBURGH:

WEDNESDAY MORNING, OCT. 26, 1859.

A Significant Fact.—Although it is alleged
that a bashed of symaphicing letters, found in
the ouslody of Brown are in the possession of
Gov. Wise, it is a noticious fact that thus far
not one has been produced which was written
by a member of the Republican party
Were such in existence, we have not a doubt
that they would be forthcoming, as the Governor
and his friends are extremely anxious to make
to ut a clear case of complicity with the insurrectioniate on the part of leading men in the ranks

The Republican proving forths and the part of leading men in the ranks

The Republican party of the country norm.

Souther states of the North are striving to make
political capital out of the abortive effort of Jons
Store, may be the continued of the Republican party

There are a fix demanded private the emission done
and his friends are extremely anxious to make
to ut a clear case of complicity with the insurrectioniates on the part of leading men in the ranks

The Republican party of the country norm.

Souther states the support of the Subtioniate on the part of leading men in the ranks

The Republican party of the country norm.

Souther state proving the many to the country norm.

buried in the "tomb of the capulets," at about the same time. In view of these considerations, was say then let Pierce be the candidate in the gum, sugar, fat, and other respiratory elements it must have in its food; and if an additional

her sailing. He refused her a clearance, it is true, but did not use his power to prevent her sailing without one; and the pretence trumped up by her owner, Lamar, that she had been stolen from him was but a trick to keep bis own hands clear. The government knew all about the object of the proposed trip of the Wanderer, and suffered her, to be fitted out and to sail without taking a single step towards punishing or prevenying such, a diagrant breach of the laws. The Savannah Neurs gives the following bistory of the Utanasaction:

"On Tuesday, persons on the lower bay observed that the Wanderer was taking stores on board, and on the same afternoon her sails were bent. On Tuesday ovening, Lamar, her owner, who had been absent and but just returned to the oity, met Collector Boston, and stated to him that he had reason to suspect that Capt. Martin, who had been no beguitation with him for an interest in the Wanderer, and who, it seems, had assumed the command of her, intended to steal the vessel, and requested that he would instruct the vessel and requeste

assumed the command of her, intended to steal the vessel, and requested that he would instruct THE GRAIN TRADE OF EUROPE—Prospects of seemed the command of her, intended to stead the vessels, and requested that he would instruct the officers of the cutter to keep close watch on her. Boston informed Lamar that the couter had gone to see, and that he had no means of preventing the vessel from being stolen, leaving him to employ such means as the civil, authorities of the port would afford him. On Wednesday morning, the Wanderer having disappeared to the hight, blr. Lamar called on and notlified him of the fact, and not the American Copy and read and suite to the American Copy and lamar subsequently return to Boston. However, and the seement of the continuous fiver the Custom House, and said to Boston. How would still discover the work of the continuous fiver the continuous fiver the continuous first the ecopy was a violation of the revenue laws, but it was a new case in his experience; that the ecopy was a violation of the revenue laws, but it was his property that had been stoled.

The Gain Trade of Europe — Prospects of the Europa in the Europa was a new case in his experience; that the ecopy was a violation of the revenue laws, but it was his property that had been stoled—Mr. Lamar's—that the did not feel suthorized, the cutter not being at his command, to contrast the cutter not being at his command, to contrast the cutter not being at his command, to contrast the contract of the cutter not being at his command, to contrast the cutter not being at his command, to contrast the contract of the cutter not being at his command, to contrast the contract of the cutter not being at his command, to contrast the contract of the cutter not being at his command, to contrast the contract of the cutter not being at his command, to contrast the contract of the cutter not being at his command, to contract the cutter not being at his command, to contract the cutter not being at his command, to contract the cutter not being at his command, to contract the cutter not being at his command, to contract the cutter not being at his command, to contract the cutte

House officers, with a number of friends, well armed, among whom were several who had sold officers, and became loser of votes by the operation. But the change was a needless one, operation. But the change was a needless one, and left the city at 16 minutes past 10 o'clook, in purchase the city at 16 minutes past 10 o'clook, in

left the city at 16 minutes past 10 o'clock, in purious.

Brom the steeple of the Exchange the Wandererwas seem to get under may about haif-past 11 o'clock, and on the arrival of the Columbus at Tybee, at half past 12, the yacht, having a favor-suble wind, was entirely out of eight. No doubt that vessel has gone to the coast of Africa to had to have succeeded as they did in capturing the establishment.—N. F. Trib.

Mr. F. O. C. Darley, the artiet, was married on the 20th-inst., at Cambridge, says the Boston Transcript, "to the daughter of a gentleman, that vessel has gone to the coast of Africa to large a favor-suble wind was accomplished to the coast of Africa to large a favor-suble wind, was renirely out of eight. No doubt that vessel has gone to the coast of Africa to large a favor-suble wind the whole matter was arranged with fine the was a greated whose fame is associated with educational works. At the reception, after the marriage service, there was a greate gathering of gentlemen widely known in literature, science, education and srt, sod the newly-wedded couple received many congrabilations from scores of persons whose fame is not confined to this constant. New York was represented by her artists and poots, and so large a number of celebilitie riot at Harper's Perry; but how comes it that, with an aconymous warning in its hands, with an aconymous warning in its hands.

OLD and YOUNG AFFIRM ITS TRUTH,-VIZ.: THAT

Professor Wood's Hair Restorative WILL PRESERVE, INFALLIBLY, THE growth and color of the hair, if used two or three times a week, to any imaginable age. Perfectly restore the gray; cover the baid with natural own comment, the hair; gray, cover the baid with nature own ornsment, the hair, make it more self and beautiful than any oil, and preserte the scalp free from all direase, to the greatest aga. Statoorne, Judges, Attoroeys, Doctors, Gergymen, Professional Men and direttlemen and Ladijes of all classes, all over the world, bear testimony that we do not say too much in its new oil. Bear testimony that we do not say too much in the law. Read the following, and judge:

PROPESSOR S. THALERRO, PIANIST, says, on his arrivial in the United States has was rapidly becoming gray, but on applying Wood's line Restorative his haft axon recovered its original hou.

A. C. RAYMOND, Beth, Maine, says he is now sixty years old, and his hair and whiskers were two-thirds gray, but by the ness of two bottles, of Ecctorative the gray hairs have disappeared both on his head mud face, and is more soft and glossy than for twenty-fire years where the sixty of the control of the

same effect.
FINLEY JOHNSON, Esq., of New Orleanh, says hat he lost his hair by the Tellow Fewer, in 1861. Is used Wood's Hair Restorative, and his hair is

that he lost his hair by the Kellow Fever, in 1964.

He used Woods Hair Restructure, and this hair is now thick and glowy. MON Listingston, Allshams, may an experience of the country. He used if for baidness, and now has a fine level of list.

T. L. MOESE, Lebabon, Kentucky, says be has seen Woods Hair Retoractive in hundreds of cases, and never knew it to fail to accompliciting all if pricare to do.

A. J. ALDEN, McLansatoru, 'Himole, says he has the host of the seen had been soon to be a recomplicity and the second here is not to be had to be subject to the had t
