veskly Review of the Pittsburgh Market, [Reported specially for the Pittsburgh Gasette.]
Privilengia, Faiday, December 2, 1869.

that frier, and to the country, for winer supplies, which large, quite large.

The fiver has not been high enough to let out the cost boats, but the weather is now warm and mosts, indicating boats, but the weather is now warm and most indicating more rad we may therefore look for a rise at an early down, and we have the considering the same within characterised the loading season during the silker. There are from 100 to 150 pairs of boats ready the silker. the filences which characterised the loading season during the styline. There are from 100 to 150 pairs of basts ready to go out. There have undergone but little change during the week, although the guesral tendency is to greater firmness in produced threads the students. The market has ruled with great uniform the week. The long tilting season is beginning in earnest, and about a 100 host litting season is beginning in earnest, and about a 100 host litting season is beginning in the week, mainly at 45 great been taken for along thering this week, mainly at 45 great part of the property of net. This is the ruling rate for large need at the styling the season that finers, the demand increasing as business improves. The hanks are naturally creating as business improves. The hanks are naturally inner the chromatance, actualing their lines of discounts, but not vary rapidly. Outside rates for No. 1 paper, 869. Eastern exchange par and 1504 premium.

Live Hogs, No. 11,703_11,543 14,558 2,517 0,100 1,257 Dreamed Hogs, 732 1,341 5,538 2,517 0,100 1,257 No. 2,471 4,101 1,013 635 547 8,783 The markets for all kind of produce here been generally quiet and inactive. Flour has been dull, without any material change in quotations. Wheat ruise quiet and alseady for the greater part of the week—closing, however, mover buoyant, with an advance of 4666 only, however, which was a series ago. Core has declined 5666 on low, and about 100 on old. Oats quiet and shady, with a good city demand and advanced about 22 during the week.

The following falls shows the receipts and shipments of live and dressed hogs since the last instant, compared with these of last week during the same period:

The washing the south of the south SUPPOSED LOSS OF A VESSEL AND TWO YOUNG MEN OF RACHE.—The Racine Journal, eays two young men named Sammel and Theodore Lane, of that city, started on the 9th inst., with the Helen Mar, a small lake craft, for St. Joseph, Mich. where they had intended to Procurage cargo of apples and return. The trip usually takes

two or three days, but nothing has yet been heard from them. MR. BANGS recently got off the following senentious remark;
"John Brown is a brick."
"Why?" asked a friend.
"Because he is likely to be immortantisted."

We have been receiving for several days from the bighest kind of loosfoot sheets. We learn, at length, that the Union is the result of a merger of the late Times with the Argus. They have our wishes for success in all matters except political. We have an abiding faith that the Wheeling Intelligence, a Republican paper, will be able to do up all the politics for Wheeling in the course of the next year.

The state of the s

Hosrow, Dec. 1.—The steamer Europa arrived this vening, at half past 7 o'clock. Her mails will be lispatched in the morning, and will be Jue in Phildelphia to-morrow night. Columbia, S. C., Dec. I.—The trial of James Hood, the engineer of the steamer Nashville, for murder on the high seas, has been commenced.

MILLEDGEVILLE, Dec. I.—Choice, the murderer of Webb, has been pardoned by an act of the Legislature, but the Governor has vetered the ball. Notice to Builders and Contractors. THE UNDERSIGNED (formerly foremen

Rev. Mr. Happar, who left here last spring for his home in China, where he went to be a missionary. He arrived safely at Hong Kong, in China, on the 4th of September, after a spready and prosperous voyage of ninety-two days. He was to leave there for Canton on the 10th.

The P. R. R. Co. are bound to be, in all matters of improvement in their cars, up to the best in the world. They are now about to light their cars with gas, as we are informed. By what procees this is to be effected we are not able to say, but shall spek more light on that subject.
