COMMON SENSE rules the mass of the people, whatever the nincum-ed and misanthrope philosophers may say to the contrary. Show them a good thing, let its merits be clearly demonstrated, and they will not hesitate to give it their most cordial patronage. The masses have already ratified the judgment of a physician concerning the virtues of HOSTETTER'S BITTERS, as may be seen in the immense quantities of the medicine that are annually sold in every section of the land. It is now recognized as greatly superior to all other remedies yet derived for diseases of the digestive organs, such as diarhoea, dyspepsia, and for the various fevers that arise from derangement of those portions of the system. Hostetter's name is fast becoming a household word from Maine to Texas, from the shores of the Atlantic to the Pacific. Try the article and be satisfied.

Sold by druggists and dealers generally, everywhere, and by HOSTETTER & SMITH, manufacturers and proprietors, 56 Water and 55 Front streets. oct22-dw-F

For proof of our assertions read the following certificates most of which are in our own city:—

DR. KEYSER—Although not an advocate of Patent Medicines in general, it affords me pleasure to certainly to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be affected with coughs, colds, cough and hoarseness of any kind, and for its peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy by diseases appreciated.

Yours, most respectfully,
EDWARD B. JONES,
Cashier Citizen's Deposit Bank.

STEPHENVILLE, O., March 14, 1859.

I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say that it is the best medicine for the same that I have ever taken.

J. W. PRICE.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.—Dr. Keyser—Dear Sir: Knowing the delay of my mail in acknowledging the excellence of your Pectoral Cough Syrup sooner, I take great pleasure in saying that it did all you say it is. I checked the most cough of my cough, and the system I was overwhelmed with. I have not used more than one-half of the bottle, and I can and do say, that all of whom afflicted would give it as fair a trial as I have done, and they will be proud to say, "it is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name, in this regard, as you think proper. E. F. PRATT

Messenger Com. Co., Pittsburgh, Pa.

PITTSBURGH, May 11, 1857.

SIR:—I am in a strange [illegible] now entirely, and all which has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral. I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely, of her cough. JOHN UHLER, Baltimore street, Allegheny.

PITTSBURGH, Jan. 31, 1853.

A GREAT CURE BY DR KEYSER'S PECTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced about the 4th of February last, and continued eight months. I employed the best physicians in the county, and my cough continued unabated until
