DISCHARGES FROM THE EAR WITH DEAFNESS.

—Letter from Mr. C. E. Sargent.

BOSTON, Nov. 13, 1858.

Messrs. N. L. CLEX & Co.—*Gentlemen*,—I have been troubled for upwards of eighteen years with running sores in my head, discharging at my left ear, as often as twice a week, a thick, slimy matter of the most offensive smell, also impeding my hearing so that I could not hear a watch tick. I have been doing more or less for six years to purify my blood, and thus remove the cause or locks, but without any change, except seemingly for the worse. About two months since I commenced taking the "Peruvian Syrup." In less than two weeks I began to improve. The discharge became less frequent, with an entire change in their appearance, being thin and watery. In one week more the discharges ceased altogether, and I have not been troubled with them since. My hearing is also improving, so that I can hear a watch tick plainly. My general health is much better, and I shall continue the use of the Syrup in the confident expectation of deriving further benefit from it. Yours, most gratefully,

CYRUS H. SARGENT.

BOSTON, Dec. 1, 1858.

This is to certify that Mr. C. E. Sargent has been in our employ for several years, and we feel assured that any statement he may make in regard to the infirmity with which he has been afflicted can be relied upon as strictly and correct.

Washington House, (Chestnut st.)

To the Proprietors of the Peruvian Syrup.—Gentlemen:—After the date of my letter to you of the 15th Nov. last, I continued to use the Peruvian Syrup until my hearing was fully restored to me, and my health perfectly reestablished. I have not taken any of the Syrup for several months past, and I have no doubt that I am permanently cured of the infirmity with which I was for so many years afflicted.

Yours, respectfully, CYRUS H. SARGENT.

Dr. KEYSER—Although not an advocate of Patent Medicines, I deem it my duty to say that I have been induced to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds, croup and hoarseness of throat, and I have no greater qualifications for removing all of the above complaints than nothing a severe cold.

I have been, in my time, in my life afflicted with the severest colds and hoarseness. At times my throat would become so hoarse as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me instantly.

In recommending this medicine I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the object for which it is intended; and by without this remedy be deeply to be regretted.

Yours, most respectfully,

Thomas D. Jones,
Cashier Citizen's Deposit Bank.

STEUBENVILLE, O., March 14, 1859.

I have used Dr. KEYSER'S Pectoral Syrup for a bad cough, and it has relieved me in a short time. I have not taken half a bottle, and was relieved. The second is the only medicine I ever took that did me any good.

JOHN DAVIS,

PITTSBURGH, Jan. 31, 1857.

DR. KEYSER—Dear Sir: I have been afflicted with a severe cough, and could get no relief from any medicine I had a right to expect, until I commenced using your PECTORAL SYRUP, which I am happy to say, has entirely relieved me of the cough, and my lungs are now entirely free from any soreness. At last time I had a bottle of your PECTORAL SYRUP, which I used, and after I had taken one bottle I was entirely free from coughing, and I do not hesitate to say that I consider it one of the best medicines I ever used, and recommend it to all who are afflicted with coughs, colds, &c., as I have no doubt but it will relieve them as it has done in my case.

JAMES C. LITTLE, Pastor St. Paul's Church.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill with a bad cough, which every one he spoke to thought he would die with consumption. He tried one thing after another, but they proved of no use, and all were confirmed in the belief that the end was near. I had about the third of a bottle of your Pectoral syrup, which I gave him and it entirely cured him; the only treatment of all. What makes the case more remarkable is the advanced age of the man, he being about eighty years old. I have no doubt the Pectoral syrup would cure any case of consumption.

This caution is rendered essentially necessary, as large quantities of inferior and defective Linens are prepared, season after season and sealed with the name of RICHARDSON, by Irish Houses, who, regardless of the injury they inflicted on the American consumer and the manufacturers of the genuine Goods, will not readily abandon a business so profitable, while purchasers can be imposed on with Goods of a worthless character.
