EDITORS and PROPRIETORS. PITTSBURGH: THURSDAY MORNING, JAN. 26, 1860.

HUNTIRGDON COUNTY has elected delegates t he State Convention with instructions to sup port Hon. Simon Campbon for the Presidency and endorsed his course as Sanator from Penn-

and endorsed his course as Sonator from Penn-sylvania. The Republicans of Fayeitic county have also the Chicago Convention are in some way, ex-pressed or implied, in favor of Mr. Seward's nomination for the Presidency. We publish a report of the Convention in another column, in deference to the will of the opposition of that county has placed his name at the head of the columned.

columy and place and the public alcoldrawt scalar purchase. Learning of any particular caddidate, either by resolu-of any particular caddidate, either by resolu-tion or in the selection of delegates to the Chica-of any particular caddidate, either by resolu-tion or in the selection of delegates to the Chica-of computer of a foreign with barged with being a member of a foreign with late number of the Constitution: "The juniter inter late number of the Constitution: "The juniter inter editor was been in Ireland. He was born a editor was born in Ireland. He was born a straight. genileman. That may be his misfortune, but it s certainly not his fault ; and if it operates pre-"judicially to his interests or advaucement as an since his return to the democratic fold, remarks: American citizen (which he became upwards of two years sgo) he has yet to learn it." Democracy must be looking up in the world since it has a "born genileman" at the head of its ranks. What says the senior editor, the redoubtable Gen. Bowman, to this assumption of his assodate ? When at the helm of the picturesque

deprive her of them."

were passed :

road company.

Bedford Gazette, his entire stock of political capital seemed to be devoted to an incessant warfare on "aristocrais." He affected to love "dirty shiris," "hugo paws" and "homespun as intensely as he hated the "silk stocking gentry," the "lordly capitalists, who drank Tokey and voted the federal ticket." These were gay old times for George-and if he has any gay old times for George-and if he has any conscience left he must feelsorry when he reman-bers how he operated on the brutal prejudices of his confiding readers without ever having appeal-bis confiding readers without ever having appeal-bedford and Somerset. his confiding readers without ever having appealed to their better feelings. And now the quondam admirer of the hard fisted, rough and tough democracy is the associate of a person who acknowledges that he was "born a gentleman," and who has a remote chance for becoming a British Lord ! We wonder much that the ghost of the recreant's old Gazette editorials do not riso

Op against him!

A VIEW OF THE FUCITIVE SLAVE LAW .- Mr. Carier, a member of Congress from the State of Carter, a memore of Cangress from the Sate of New York, advanced the following opinion in reference to the Fugitive Slave Law, in a mas-1850. New York, advanced the following opinion in terly speech which he recently delivered in the House. He is a sound lawyer, and was elected to Congress from the Long Island district, as an old line whig, by a union of the Republican and American parties. He never acted with the Bepublicans until this winter, so that his notions cannot be attributed to any deep-scated prejudice on his part. To overy liberal and thinking

an autorquince with a fair and honest interpreta-tion of the law: "Was share can be reclaimed under or by force of the Trigline slave law, unless such alare has the state stan 20 feet, and that over the main channel 250 feet, and not less than 75 feet high above low witer mark. "Was share can be reclaimed under or by force of the Trigline slave law, unless such alare has the state to the set than 200 feet, and that over the main channel 250 feet, and not less than 75 feet high above low witer mark. The supplement to the act incorporating the state bivers high ansater, he cannot reclaim him, clave for a slaveholding State into a free State, and the state sprater takes his slave out of a slaveholding State into a free State, and the state sprater takes his slave out of a slaveholding State into a free State, and the strip claved the not reclaim any other kind of property? But if "the slave cannot reclaim him lates the sovereign is w of such flate, he mass be reclaimed boarsel, and thus vio-be reclaimed boarsel in lis sovereignty of the State in its sovereignty of hourd to protect every State in its sovereignty of hourd to protect every State in its sovereignty of he featured, boarsel in the State finite. In all its institutions within the State instite. In all its institution all its institutions within the State limits In other words, slarzs ate persons, not things, and must therefore be treated in all respects, wher-isyer the Constitution and laws of the United Binics are spilled to them, as men, and not as brate beasts. Hence, when a stare escapes from Missouri to Illinois, he is pursued not as violated ity property, but as a person who has violated a law of Missouri."

ivo property, but as a person who has violated is wor Missouri." This position was combatted, on the floor of Congress, by the fire-caters, in the person of M'Hae, of Mississippi, who took the old ground, so often successfully contexted, that the slaves wers signific property, and were on a level with every other kind of movable chattels. This as sumption is so inconsistent with the professions

every other kins of motors with the professions as Minister from this Gevernment. As units, latter, between the professions as Minister from this Gevernment. Turs-Painted, 2 and 3 noop, where deven the first state of the defenders of elavery themelves, that it 55,000 for them-\$2,800 ns their value and \$2,-to the defenders of elavery themelves, that it 500 for their lost services. He put his claim on the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he had a right of transit through the ground that he ground that he ground that he ground that he had a right of transit through the ground that he ground that he ground that he ground that he ground the ground that he ground the ground the ground the ground that he ground the ground that he ground the groun a too runcatous for serious refatation. tho ground that he had a right of transit through the State with his slaves, and that the State is

Conveniion. Suffee II to say the janizaries of the administration were triamphant by a decided majority, endorsed Bachanan and laid on the table a resolution instructing for Douglas. The end is not yet. For Acidity. end is not yet.
