The course of studies embraces Mathematics, sentled somewhat in this manner: On one side of bown a person with a countenance ocaring a remarkable resemblance to Mr. Keitt, etrutting about, brandishing a hugo broadsword, and bellowing out to the quiet citizen on the other side; "I shall protect myself with my own right hand; come on if you dare; I shall drive you back"—the quiet citizen all the while continuing to weed his garden or post his day-book. So far theartist would get on very well with his design; but when Mr. Keitt proceeds to say that if the North comes on "the South will march forther and forther south," be might be puzzled with the contradiction. To represent the South driving back "the minions of the North" by marching to a greater distance from them, would be a little difficult.—N. V. Ecening Post.

DISCHARGES FROM THE EAR WITH DEAFNESS -Leiter from Mr. C. R. Sargent. Baston, Nov. 13, 1858. Mesers. N. L. Otage & Co.—Configuration, Nov. 13, 1838.

Mesers. N. L. Otage & Co.—Configuration,—I have been troubled for upwards of eighteen years with running sores in my head, discharging at my left ear, as often as twice's week, a thick, slimy matter of the most offsaalva smell, also impeding my hearing so that I could not hear a watch tick. I have been doing more or less for air years to puilfy my blood, and thus remove the sores or bolls, but without any change, except essemingly for the worsa. About two months since I commenced taking the "Peruvian Syrup." I nees than two weeks I begun to improve. The discharges became less frequent, with an entire change in their appearance, being thin and watery. In one week them ore the discharges cased altogether, and I have not been more the discharges cased altogether, and I have not been troubled with them since; My hearing is also impri so that I can hear's watch tick plainly. My general hea t. Yours, most gratefully, CYRUS E. SARSENT.
