PITTSBURGE: SATURDAY MORNING, FEB. 4, 1860. People's State Convention.

The Citizen of Pennylvania, who are opposed to the principles and measures of the present National Administration, and to the Election of men to office who sustain these principles and measures, are requested to meet in their respective counties, and to elect Deligates equal in number to their representatives in the General Assembly, to a PEOPLE'S STATE CONVENTION to be hild at HARoverment of the Convention of

WEDNESDAY, FEBRUART 224, 1561,

Chairman People's Executive Committee. would indicate the compound thus: 'Take one part of Barry and two parts of brandy—mix—shake genily—cork, and set away for use.' Law hall not then guarded the centract system Individuals secured routes and then came in for allowances. The Mephistophiles of the office was the Rev. O. B. Brown, who preached on Sunday, and plundered the transportation fund all the red of the week. The method was this Mr. Brown laid a case of peculiar hardship before the Federmsster-General, with the claim of the suffers for increased pay—of course more than deable what was expected, and quadruple what ought to be allowed. Mr. Barry exclaimed against the extravagance of the demand, and Mr. Brown very naively proposed to grant one half, which was done. Mr. William Smith was in high favor, hence his wealth, hence also his preponder of 'Extra-Billy.' A Congressional investigation shortened Mr. Barry's official life, and he was critical to the Court of Madrid, then, as now, is not of genteel Botany Bay, and Extra William returned to his Arcadian cake at Warrenton; affectivant settled into the Governorship of Virginis; has since declined to a member of Congress.'

Houseparny.—Among the inventions and improvements with which the day is so rife, that made by Prof. Humphreys is not among the least. With all the superiority of the Homeopathic System of Atalicia over that of the eld school in its feedlom from danger and the case and pleasanches with which its medicines may be taken of given to children, it still remained an intricate statem for the people to use No. ntricate system for the people to use. Prom he fact that a single medicine is given at a

giving the remedies is avoided, and they may be properly administered by any person of ordi sry intelligence. His impro nary intelligence. His improvement is certainly valuable, and one which throws the benefits of this healtiful and efficient system into the hands of the people, and must prove a blessing to the dands. His Specifics are spoken of in high terms by those who use them, and we can readily conceive must prove a valuable and dition to the comforts of a family. Ma Industrial himself once saw General Washington. He said there was some celebration going on in New York, and the General was there mether used for it

The Lightest, Neglest and Chaptest article in the market

at 12, 11 to indicate their choice for the next Presidency, nominate a candidate for Governor, form an Electoral tichot, appoint Schaterial, and to designate the time and mode of Electing District Delegates to the National Convention transfer such other business as may be decemed new

Thus Burlington Hawkeys tells the history of "Extra-Billy Smith's name:

"His dawn was under the sway of Gan. Jackson, when Mr. W. T. Barry was Postmaster-General, and the few first rounds on his ladder of his fame were made, and carried along with them resulting profits. Hr. Barry was a gentlemon of fine bowers as a public speaker, a genial companion and p gentleman. But he had an apportic which wrecked his intellect and wrought his ruis. Were it desirable to duplicate him for the healt of the Peparlment the Dispensatory would indicate the compound thus: "Take one part of Harry and two parts of brandy—mix—shake gently—cork, and set away for use."

the fact that a single medicine is given at a dose, and each applicable to only certain symptoms, a large number of medicines and a large book of directions became nocessary in order to use. Add what is worse, those directions are of the most direct and discriminating character, so that order he longer one looked and studied, the more fourted he became, nor could any amount of learned lumber, in the way of Domestic Mandall, explain the matter.

At this precise point the discovery of Projumphreya comes in. He ascertained, from repeated experiments, what had been before denied, that cortain medicines in this system might be harmoniously combined in a single re present experiments, what had been before de-nied, that curtain medicines in this system might be harmoniously combined in a single re-medy which presessed, in good part, the advan-tages of each of its ingredients and upon this principle forms a series of Specific Remedies for each of bed more common diseaso or allments with these hall uncertainty and canbarasment in giving the termedies is available and them are

General Yashington then turned his benevolent face full dpon me, smiled, and laid his hand upon my head, and gave me his blessing, which, "added Mr. Irving fearnesily," have reason to believe has attended me through life. I was but five years old; yet I can feel that hand even now."
