It greatly facilitates the process of teething by softening the gums, reducing all inflammation—will allay pain, and is sure to regulate the bowels. Depend upon it, mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases.

This valuable preparation is the prescription of one of the most experienced and skilful female Physicians in New England, and has been used with never-failing success in millions of cases.

We believe it is the best and surest remedy in the world, in all cases of Dysentery and Diarrhœa in Children, whether it arises from teething or from any other cause.

If life and health can be estimated by dollars and cents, it is worth its weight in gold.

Millions of bottles are sold every year in the United States. It is an old and well-tried remedy.

For proof of our assertions read the following certificates, most of which are in our own city:—

PITTSBURGH, Nov. 15, 1858.

DR. KEYSER:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may be or may become afflicted with coughs, colds, cough and hoarseness of any kind, and for all pulmonic complications for removing all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life afflicted with the severest of colds and coughs. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for disease so prevalent.

Yours, most respectfully,

EDWARD D. JONES,
Cashier Citizen's Deposit Bank.
STEVENSON, G. March 14, 1859.

I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say that it is the best medicine for the relief of colds.

J. W. PRICE.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.

—DR. KEYSER—Dear Sir: Excuse the delay of my not acknowledging the excellence of your Pectoral Cough Syrup—say it is. *It knocked the bone out of my cough*, and the worst one I was ever afflicted with. I have not used more than one-half of your bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, I would not suffer another such cough for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name, in this regard, as you think proper.

E. F. PRATT,
Messenger Court House, Pittsburgh, Pa.

PITTSBURGH, May 11, 1859.

N. B.—I am frequently referred to fellow citizens, and all who entertain doubts can consult me personally.

PITTSBURGH, April 24, 1857.

READ THE TRUTH.—DR. KEYSER:—I have a daughter who has taken several medicines for a bad cough, without benefit—among them Ayer's Cherry Pectoral. I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough. JOHN DAIS,
Robinson street, Allegheny.

PITTSBURGH, Dec. 31, 1853.

A GREAT CURE BY DR. KEYSER'S PECTORAL SYRUP.—I live in Perrhus township, Allegheny county. I had a coughing and spitting, which commenced about the 4th of February last, and continued eight months. I employed the best physicians in the county, and my cough continued unabated nearly to October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

JOHN C. LYNCH, Perrhus tp.,
Witness—B. M. RAE.

Patton Tp., April 14th, 1857.

A WONDERFUL CURE.—Some time ago an old neighbor of mine was very ill with a bad cough, which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Syrup, which I gave him and it relieved him. In the settlement of all. What makes the case more remarkable is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHN MANNINGS.
