PITTSBURGH, Nov. 19, 1858.
Dr. KEYSER:—Although not an advocate of Patent Medicines, in general, it affords me pleasure to describe in worthy the attention of any person who may in any manner be affected with coughs, colds, cough and hoarseness of any kind, and for its peculiar qualifications for removing all that disagreeable sensation attending a severe cold.
I have been, more or less, in my life affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.
In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.
Yours, most respectfully,
EDWARD D JONES,
Cashier Citizen's Deposit Bank.
STOCKTILL O., March 14, 1859.
I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say that it is the best medicine for the disease that I have ever taken.

COL. PRATT AND DR. KEYSER'S PECTORAL SYRUP.
—Dr. KEYSER—Dear Sir: Excuse the delay of my not acknowledging the excellence of your Pectoral Cough Syrup in person. I take great pleasure in saying that it is all you say it is. *It knocked the sour out of my cough*, and the first one I was ever afflicted with. I have not used more than one bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "it is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely from it than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name, in this regard, as you think proper.

DR. KEYSER:—Dear Sir: I have a daughter who has taken several medicines for a bad cough, without from your bottle of your PECTORAL SYRUP, and before she had used half a bottle she was restored. The second bottle cured her entirely of her cough.

PITTSBURGH, Dec. 31, 1853.
A GREAT CURE BY DR. KEYSER'S PECTORAL SYRUP.—I live in Peebles township, Allegheny county. I had a coughing and spitting, which commenced about the 4th of February, 1853, and continued eight months. I employed the best physicians in the county, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill with a bad cough, which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit. His brother came to see him die, and all were confirmed in the belief that he could not live.
