committee on Millitary Affairs to inquire into the ex-pediancy of making provision for the payment of the Indian war debt of California. Adopted. Mr. Hana Introduced a bill for the construction of a railroad from the Mississippi river to the castern boundary of California. Mr. Fitzpatrick introduced a bill to provide for the examination of claims of diverse of Georgia and

Alabama for losses sustained in the Creek War in 1820. Referred.

Alabama for forres and an or the second states of the second states and the second states and the second states and in defence of New Hampshire. Mr. Toombs replied. Mr. Doollitis said be would answer the arguments of the Senator from Georgis at a fature day. The Senator state spotponed till Tuesday. The Senate wont into executive secsion and after wards adjourned.

Washington correr, Feb. 14.—Tho N. Y. Herild'e Washington correspondent says that R. M. Sherman of New York has been appointed his chief clerk by Mr. Forney. Mr. Walker, at the request of all the Republican members, will be retained as reading clerk. Mr. Chaffee, a member of the 34th Coograss from Massechusetit, has been appointed Librarian of the House. John Dassing, of New York, has been appointed station clerk. The statement that Mr. Knowliton, we.'M. O. from Maine, has been appointed superintendent of the folding rooms, is incorrect. Wasningers, The M. —The smoot last hight, of nome unknown cause, about four o'clock in the morning. In addition to the crew, numbering 20, there were 25 second cabin passengers on board, all of whom were issued, together with their baggage. The versel war scutted, but the recoding tide left her well out of the water, and in spite of every exer-tion the tames raged for many hours. She bad a large and raluable, cargo, consisting of mashinary, silks and satins, crate goods and merchandise, por-tions of which, it was supposed, would be saved in a damaged sizte. The lors is estimated at £30,000. The ship was insured, but it is not known whether it de cargo is covered. The English badget was to be brought forward on the data was in the set of the start of the same the set of the same the cargo is covered. The versal was scutted, but it is receding tide into ber well out of the water, and in spite of every exer-tions the dimines rayed for many hours. She had a large and valuable cargo, consisting of machinery, sliks and ratins; crate goods and merchandits, por tions of which, it was supposed, would be saved in a damaged state. The local is estimated at 550,000 be is attending to his business in the Sintate The singlish budget was to be brought forward on the film.
