A CARD TO THE PUBLIC.

WE respectfully inform the public of Pittsburgh and vicinity that a choice stock of STEINWAY & SONS' PIANOS will be shortly received by us. They are provided with the IMPROVED *Grand Action Scale*, the overstrung *Iron Frame*, the *Agraffe* arrangement, etc., and we considered the FIRST TONED and most DURABLE Pianos now made in this country. Having made large purchases during the holidays we cleared out our entire stock of them, although we received two different invoices during that time. We therefore ask the indulgence of a few days of our patrons and the admirers of the Steinway manufacturer, when we will again be enabled to offer as fine a supply as ever.

MOTHERS

In presenting you with Dr. EATON'S INFANTILE CORDIAL, we desire to state in superiority over every quackery that cures or quack has heretofore offered you.

First—It is the preparation of a regular physician, who is fully qualified from such experience in infantile complaints to prescribe for them. Secondly—It is entirely free from opiate or opiate of any kind, and consequently relieves by removing the suffering of your child, instead of deadening its sensibilities. Thirdly—It is put up with great care, as a comparison of it with many other articles of infantile complaints will show; the very roots from which it is distilled being dug from the forests under the direction of Dr. Eaton, many of them by his own hands, and shipped—It is particularly harmless and cannot injure the most delicate infant, even if taken in double prime dosage.

ATWELL, LEE & CO.,
Agents for Pittsburgh.

FOR ALL COMPLAINTS ATTENDING TEETHING, such as DYSENTERY, COLIC, &c., also, for softening the gums and relishing pain. For regulating the bowels it is unequalled. For Cold in the Head it is a sure relief. For CROUP, the most fatal and trying of diseases, it can be relied on with perfect confidence, and being a powerful antispasmodic in all cases of convulsions or fits, we earnestly recommend it to use in time in procuring it. Lastly—Because it costs no more than other preparations of the kind, but is cannot set off such long advertisements as many others, who are fully conscious in their advertising for the same reason, it recommends itself at the most reliable to all mothers. In all cases, the directions wrapped around each bottle, must be strictly followed. Price, 25 cents per bottle.

DR. BRONSON having been so far reduced by consumption, as to be considered beyond all hope of recovery by the first eminent of the medical profession, and also by himself—a regular physician of twenty years practice—as a last resort, conceived the idea of ANALYZING THE BLOOD, and applying the subject of physiology to the more immediate connection, and effect of the state of the blood upon the health and system. The result has been the production of this "BLOOD FOOD," from the use of which Dr. Bronson was restored to perfect health. Within months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Hoarseness, Soreness in the Throat, Loss of Appetite, pain in the side, lose no time in procuring a bottle of the "BLOOD FOOD." If you are suffering from Nervous Debility, or your Organs are deranged, if your Spirits are Depressed or your Organs relaxed, you will find in this an unfailing remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most live acute cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking only one bottle. In Male or Female Complaints and Weaknesses, the sufferer, after trying other remedies in vain, may rest assured, that a certain cure will result from the use of two or three bottles. The "BLOOD FOOD" is effectual in all cases of Erysipelas, Salt Rheum, ferofulas and other like complaints. This or renovated children and adults are immediately benefited and invigorated by its use. It gives strength to the body and color and beauty to the skin. Physicians of all schools are using it with wonderful success.

For full directions, see circulars. Price $1 per bottle.

Sold by CHURCH & DUPONT, Druggists, No. 58 Maiden Lane, New York, and by all respectable Druggists throughout the country.

For sale by DR. GEO. H. KEYSER, 140 Wood st., Pittsburgh, Pa. 6-3-1ydawF
