THE DAILY PITTSBURGH GAZETTE.

PITTSBURGH, WEDNESDAY MORNING, MARCH 14, 1860.

VOLUME LXXIII---NUMBER 85.

ESTABLISHED IN	1786.
DITTS BURGH: DINESDAY MORNING, MARCH 14.	i trodded foreign labor. Why require profis a question frequently asked. Why continuous fire the sain England? I answer: it is true we he raw material in abundance; we have the site skill; we have the labor-saving machand we have the labor-saving machand we have the labor, but that labor she encouraged, and not crushed to the earth, the glory of our country that the road to and to fame is open to all and is traveled
the election of Speaker was in order until the section of Speaker was in order until the se was organized. I will not review the except for the elec-	We have no special classes or grades her frequently find the laborer of to day thee er of to-morrow; and this can only be it when labor is remunerated. We cannot also returned to the classes of the prices paid in the old-docuntrishould not wish to; and when the day are it ever should, (which Heaven forbid,) the laboring man of our country is reduced wages paid in foreign countries, then indeed our glory as a nation have departed. Let us, on the other hand, encourage products. Stop this miserable policy of pour provisions abroad to find a market, and ing them returned to us in the shape of factured stricles, we paying some 50 or cent., in addition to their original validances of the country of the country of the country of the whom-they have passed; but let us app
